Students Escape Into Lunch Hour

In a structured environment like school, releases are necessary. It is not surprising that this release would be found in the lunch hour.

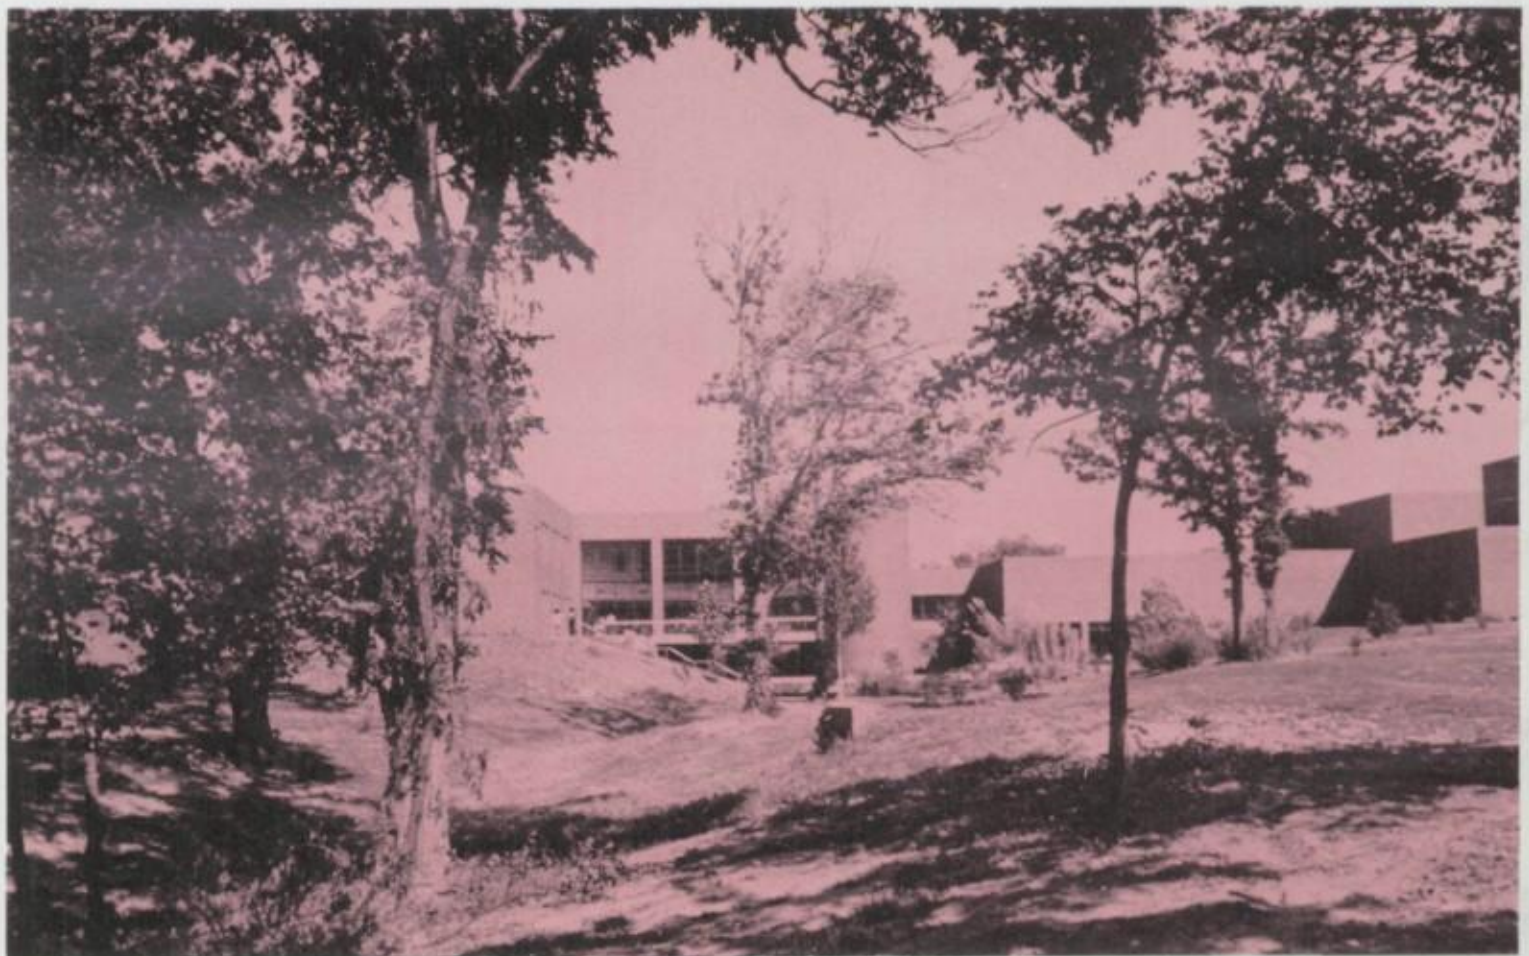

The old R & R. A chance to let go, run through the woods screaming like a banshee if necessary, or perhaps find a private nook in which to breathe freely and try to sort things out. Or communicate with friends on a personal level after a morning filled with numbers and abstractions.

You could even eat lunch, if that was what helped get you through the day.

Escapism, whatever form it took, proved, as usual, to be the best coping mechanism around.

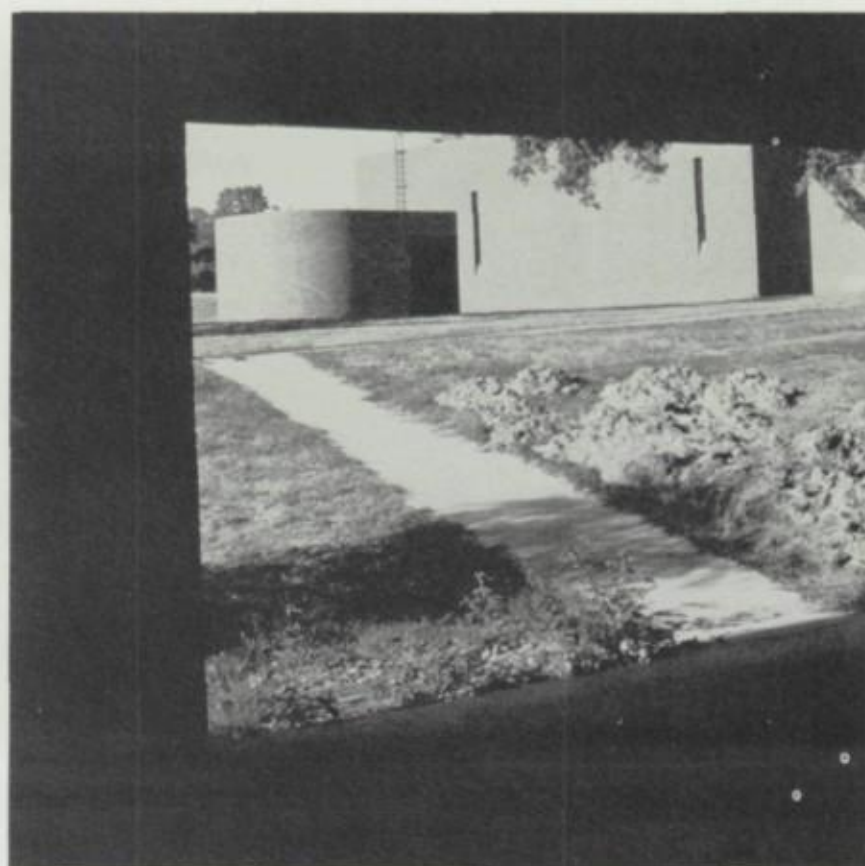

The hustle and bustle of activity in the lower commons.

Our scenic campus kept many students on home grounds during lunch hour.

The Surgeon General wouldn't know where to begin.

Quiet and secluded places gave us a chance to have minutes by ourselves.

Overcrowding caused lunch lines to grow longer than appetites could handle.

You cannot fight against the future. Time
is on our side. - Gladstone

Senioritis drove us to the numbers game.

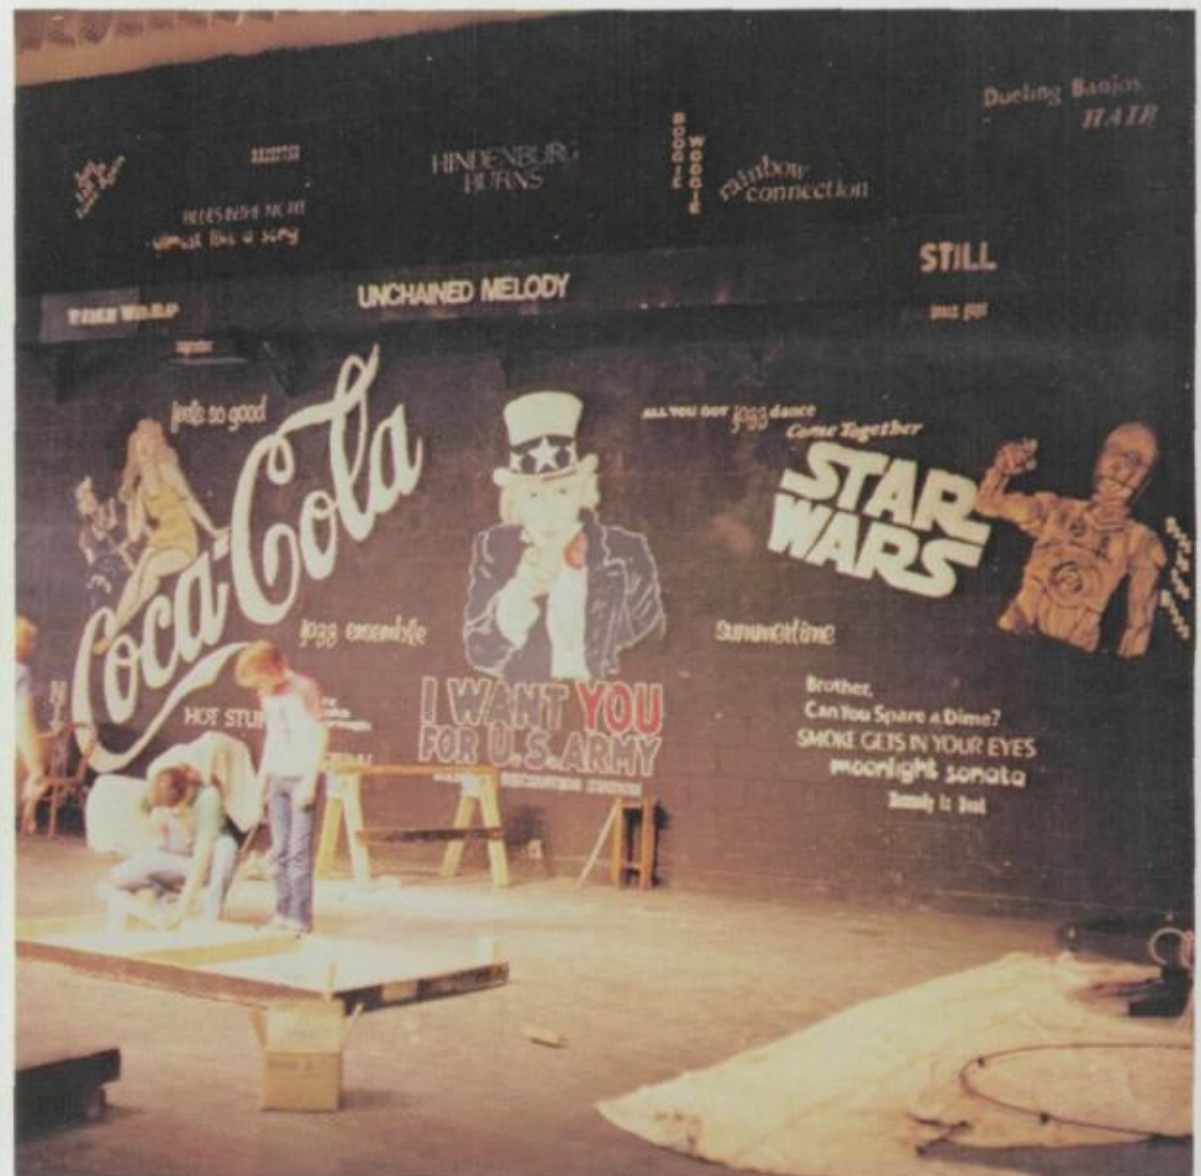

Transition . . . A New View

These memories are put away in the back

Looking back, the good times are
remembered - those nights out cruising,
spirited football games, romantic evening
walks. "The good old days at Central High."

Spirit

O, Great Spirit, at thy call,
We have pledged our youth,
Ever climbing, one and all,
Seek eternal truth.
With thy standards at our side,
Bound by purpose high,
Thou, Great Spirit, be our guide,
Where the way may lie.
With thy vision light our eyes,
Show thy heights above,
Grant us wisdom, thou are wise,
Teach us they great love.
Consecrate our aim sincere,
Cleanse each inmost soul,
O, Great Spirit, be thou near,
Distant shines the goal.
For the beauty through each day,
Joy and friendship true,
Gifts of thine along the way,
Hear our thanks anew.
When we gain the farthest height,
By thy wisdom taught,
We shall find thee, truth and light,
Thou art all we sought.

Central Senior Rings is a costly tradition.

The Spirit Drum caused warfare between classes, but the Class of '81 swept the battlefield three years in a row.

Above: Through the years, the beat of Central's Tom Tom lives on. Right: Our "Big Chief" carries out tradition by wearing the headdress at pep assemblies.

Cheerleaders gain crowd participation by performing the Senior Charleston.

Team Spirit Has Traditional Outlet

Tradition.

From the tip of the smallest feather on the "Big Chief's" headdress, to the beat of the Spirit Drum within every Centralite's heart, tradition pervades our lives.

It is the fine thread which knots hundreds of very different people together.

Though the knot occasionally loosens and spirits falter, when it is necessary, the knot is secure—a tough game, a close contest, or any event which requires a united front. However, when victory and unity triumph, the thread becomes somehow stronger.

Our spirits combine to form one spirit, and the whole is greater than the sum of its parts.

Central's trophies date as far back as 1904, when Central became a school.

Central's Atmosphere Enhances Learning

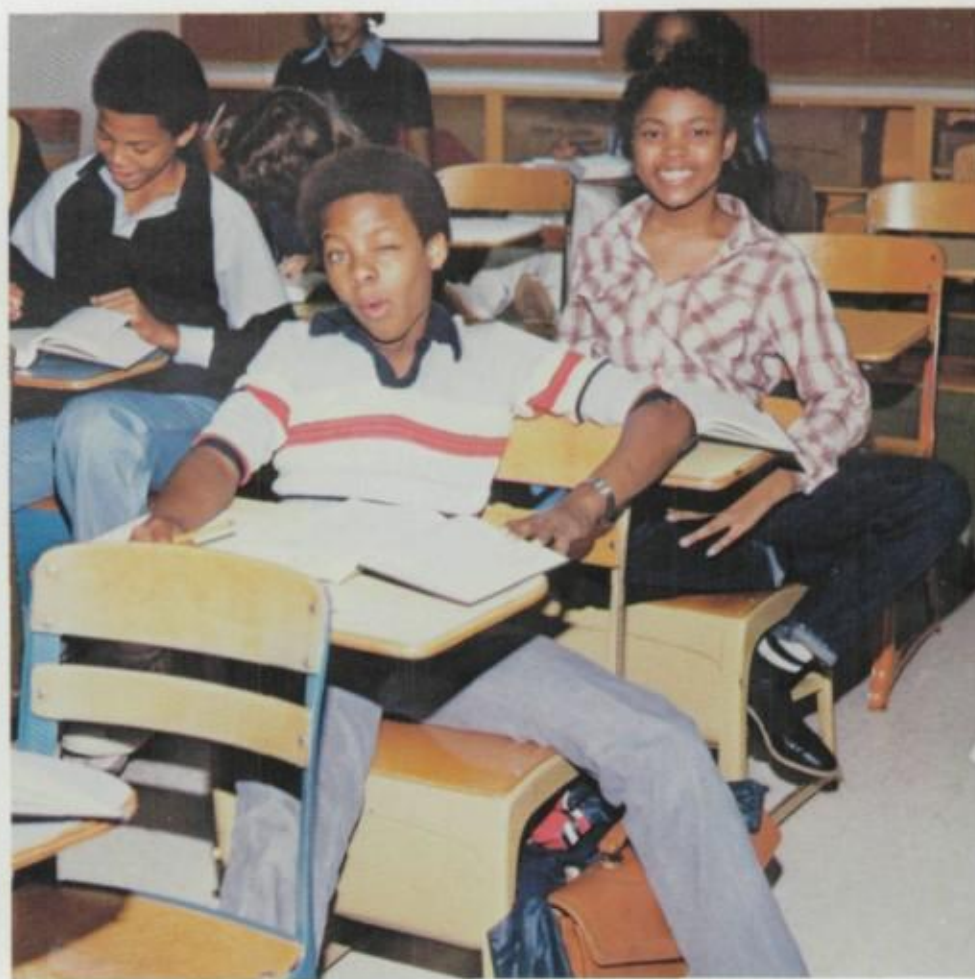

With the addition of the freshman class into the student body, many alterations had to be made. We gained and lost members in our administration and staff. Overcrowding became a problem as enrollment increased. The shuffle started students into the 1980-81 school year with new hope.

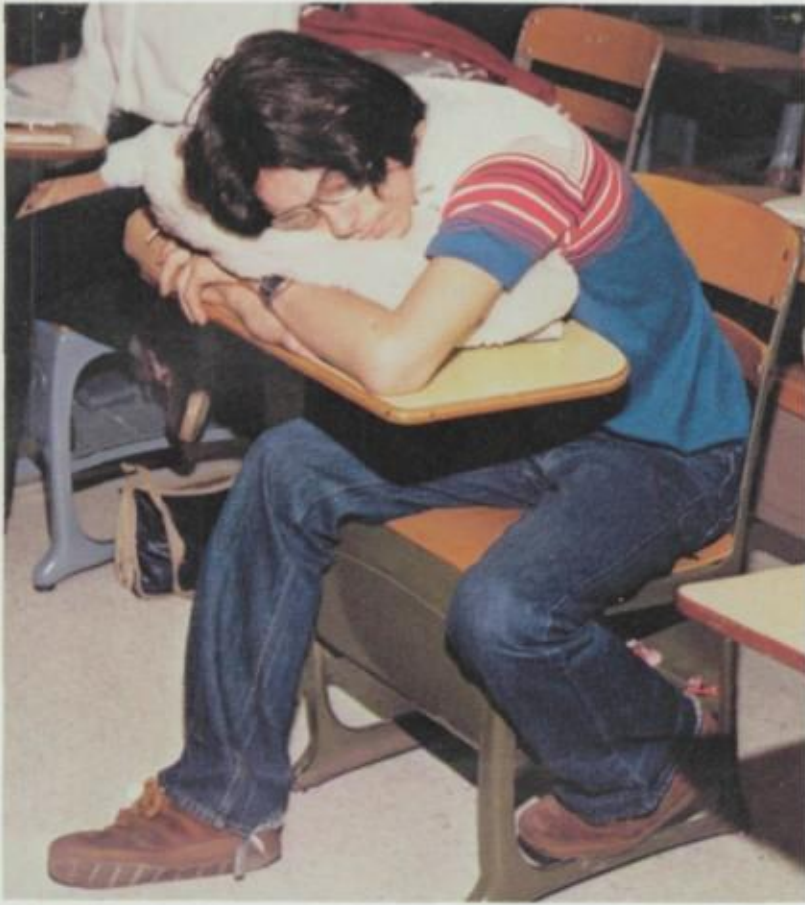

Stagecraft kept busy with backstage work.

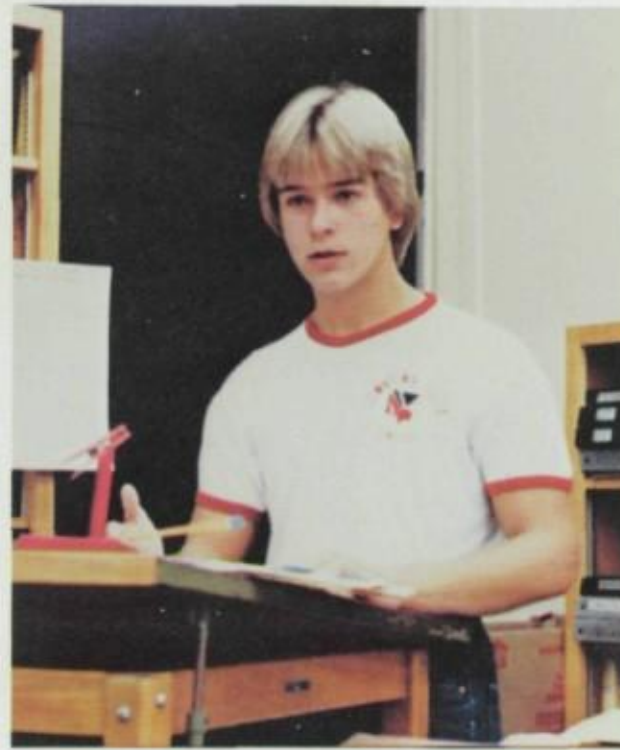

Central spirit strikes again: ticket seller is about to be trampled in a wave of Central spirit.

Class Whiz?

Student learns by osmosis.

President Greg Ladd directs a Key Club meeting.

Mrs. Amatucci offers a new perspective on history class.

What is time? The shadows on the dial, the stiking of the clock, the running of the sand, day and night, summer and winter, months, years, centuries—these are but arbitrary and outward signs, the measure of time, not time itself. Time is the life of the soul.—Longfellow

Spirit Of '81 Mirrors Pride In Old And New

Hardcore football fans Jane Smith and Cathy Rayner express their spirit to the opposing team.

Donna Talburt takes a serious moment to reflect.

Central seniors know who's Number One.

Central cheerleaders' dressing down raises a few eyebrows in the bleachers.

Time. Think about it a moment. It is as simple as the present, as deep as the unconquered keeper of our days, as realistic as here today - gone tomorrow, and as touching as the feelings felt within.

Memories. They let us have our sun in the winter, our snow in the summer and precious times always at hand.

Our hearts are united with the same desire of being the best, but with different ideas of how to accomplish it. We have grown with each other and within ourselves - and this is only a part of the beauty of time.

Monkeying around, again

Our "81" stood out even in the dark.

Seniors felt relief and sorrow in reaching that final year. Thoughts of upcoming graduation and going on brought an urgency to do it all. For their 3rd year in a row, the seniors felt victory in winning the Spirit Drum. In a joint effort with the juniors, the seniors worked hard on their class play, "Finders Creepers", under the direction of their new drama teacher, Ms. Haley. Plans and arrangements for the prom seemingly were always in progress and the seniors waited anxiously for the arrival of their special night.

Miss America Back Home

Miss Oklahoma, Susan Powell of Elk City, made the trip to Atlantic City in the fall of 1980, never dreaming she would return home as Miss America. She was welcomed back home with parades in Tulsa, Oklahoma City and Elk City. While Susan was in Oklahoma City Governor George Nigh proclaimed 1981 as Susan Powell Year. This 21 year old lady was crowned on September 6, 1981 by former Miss America Cheryl Prewitt in Atlantic City, New Jersey.

Draft Registration Raises Questions

The draft. Is it worth it? This question came to the minds of many seniors this year as the draft registration was reinstated last February by former President Carter. Instigated in January of 1981, 18 year old males were required to register. Women's registration was also a popular controversial topic. Congress said no, but the battle isn't over. It has been taken to the Supreme Court for more deliberation.

During the 1980-1981 school year Poland caught the attention of the world. News headlines read "The Polish Resistance.", "Worker Power and Poland's Unrest". The strikes of the Polish workers caused a downfall in its economy. Russia also threatened to invade unless the uprising stopped. The government of Poland had to make a lot of concessions to Independent Workers Union led by Lech Walesa. The strikers wanted a five day work week, except for one Saturday a month, free Trade Unions, and mainly better working conditions. While this was going on, the United States was keeping a close eye on Poland and Russia; trying not to interfere.

Reagan Wins

Republicans put a halt to a quarter-century of Democratic control of the Senate with the victory of Ronald Wilson Reagan over Jimmy Carter.

As the votes started coming back, the foreshadowing of Reagan's victory was seen in the electoral vote tally which gave the Republican nominee 483 to 49.

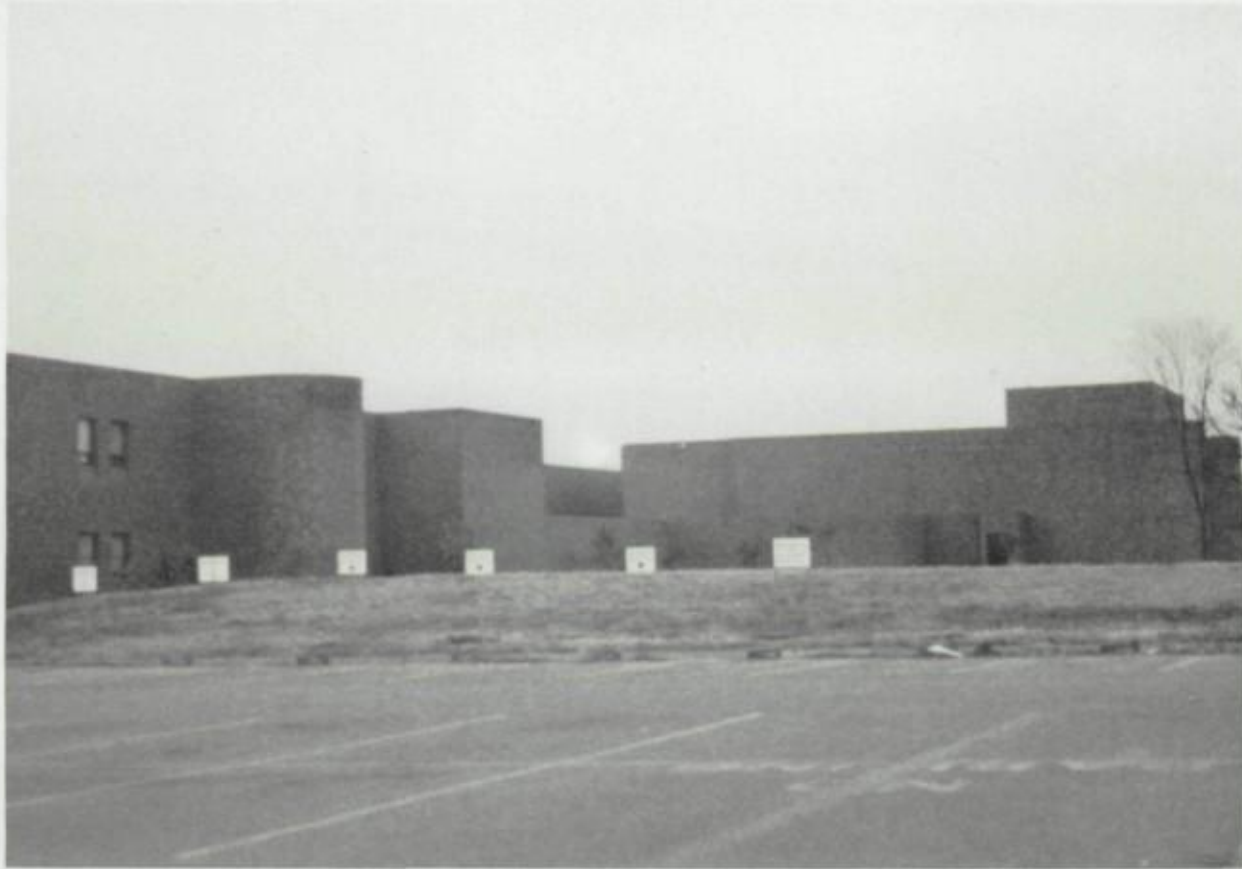

Reagan was quoted as saying, "I am not frightened by what lies ahead." He wants to "tap that great American spirit."

Hostages Are Freed At Last

After 444 days of captivity, 52 American hostages stepped back into freedom at Rhein-Mein Air Base, West Germany. On Tuesday, January 20, their freedom was bought with 8 billion dollars in frozen Iranian assets in the last few hours of Jimmy Carter's presidency. With the news of the hostages having been physically and emotionally tormented, Americans were outraged. The hostage crisis not only left Americans, but the world in awe that such a tragedy could have occurred.

The Class of '84 made a landmark in Central's history this year. They joined us as the first freshman class to enter school at Central. They were an awfully spirited class as they won one of the days during Spirit Week. They were not allowed to participate in high school sports but they played with their junior high. They are a great class and a beautiful new addition to Central's student body.

Freshmen appear to be bored with daily schoolwork.

Saying farewell to Mrs. Maxie was one of Central's greatest losses in 1980.

Sr. Chairman Melissa Jones and President Mary Arnett decorate the christmas tree.

Student Council, our student form of government, has been a very busy organization this year. Activities have consumed much of the officers' and delegates' time. Central volunteered for the first once-a-month luncheon held for the Tulsa High School Student Councils. Dr. Larry Zenke was the guest speaker and we catered from Kentucky Fried Chicken for the noon meal.

Some officers attended state convention in Stillwater and we were also responsible for Brave of the Month balloting and for forming committees to complete the student directory, the Hello Central.

Student Council sponsored a dress up day and a movie on October 30 during spirit week. Participation was super and the movie "Phantom of the Opera" had a large turn out.

In early November we worked with the other organizations in the all school clean-up day and for Christmas we decorated a tree which was displayed in the lower commons.

Valentines Day came with the sponsoring of a Sadie Hawkins dance, and the spring came along with another clean-up day. We advertised and publicized Daze, the annual talent show.

The sponsor of Student Council, Mrs. Maxie, left CHS in late November to become a traveling counselor for the Tulsa Public Schools. Teaching at Central for over 15 years, she was a hard working and enthusiastic person. We appreciated her guidance and only hope the very best for her in the future.

The new sponsor, Mrs. Potter, is energetic and excited to finish the year with success and satisfaction.

FCA Provides Spiritual Outreach

Officers: (L-R) Tommy McCaslin; Secretary, Becky Counce; Treasurer, Bobby Bagwell; Vice-President, Robert Scott; President

The Fellowship of Christian Athletes was officially started in 1956. Its birthplace was Oklahoma, although the first FCA Conference was held in Estes, Colorado. A young man named Don McClanaen from Oklahoma State University was asked by his pastor to give a talk in his church about his vocation, athletics, and how with support and promotion it could be used to spread Christian principles. Growing from that one man's dream for Christianity, FCA is now in all the states of the Union and is especially active in the South and Southeast parts of our nation.

Membership in our FCA was open not only to athletes but to anyone who desired the fellowship on Friday mornings. Besides attending The Challenger Awards Banquet, FCA sponsored a movie, *The Cross and The Switchblade*, and operated the concession stand in the swimming area. We had many enjoyable speakers including Bill Blankenship, one of the 5 associate leaders here in Tulsa, Brian Berger, a former Centralite, and Eddy Helker, a graduate of the class of '79.

Coach Balint was the root of our enthusiasm as an organization. He spent long hours making sure the functions we planned came out successfully. Although this is his first year at Central, he already shares the pride and humility Central people have in the activities they set out to accomplish. We have grown closer and more fond of him and respect him not only as an athletic director and instructor but as a Christian as well.

Beginning in 1979 the First Baptist Church (downtown) sponsored a now annual event entitled "The Challenger Awards Banquet", which is a citywide event including the Tulsa High schools, Union, Jenks, and Sand Springs. The purpose of this award is to acknowledge one young man from each school whose life best exemplifies Christ's on and off the football field. The recipient was senior, Tom McCaslin, an enthusiastic football player and wrestler, also the secretary of our FCA. With due congratulations we are proud to have him represent us.

Coach Balint works on next meeting's agenda.

To everything there is a season, and a time to every purpose under the heaven:

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

A time to get, and a time to lose; a time to keep, and a time to cast away;

A time to rend, and a time to sew; a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time of war, and a time of peace.

Ecclesiastes 3:1-8

CHS Students Take Honor In Society

National Honor Society is an organization which strives to recognize those Centralites who have excelled academically.

In October they held their annual tapping luncheon and also participated in "Clean-Up Day". In late November they held their installation and induction of officers. In the Spring they went to state convention, which was in Putnam City, Oklahoma. This year the Society has a very large membership. As juniors, students must have a 3.5 grade average and as seniors, a 3.25 grade average to be members.

Officers have spent long hours to make their functions a success, and these distinguished students are commended for outstanding leadership in our school. Officers are Laura Hamrick, President; Charles Justis, Vice President; Mary Arnett, Secretary; Tami Busch, Secretary; Susanne Naifeh, Historian.

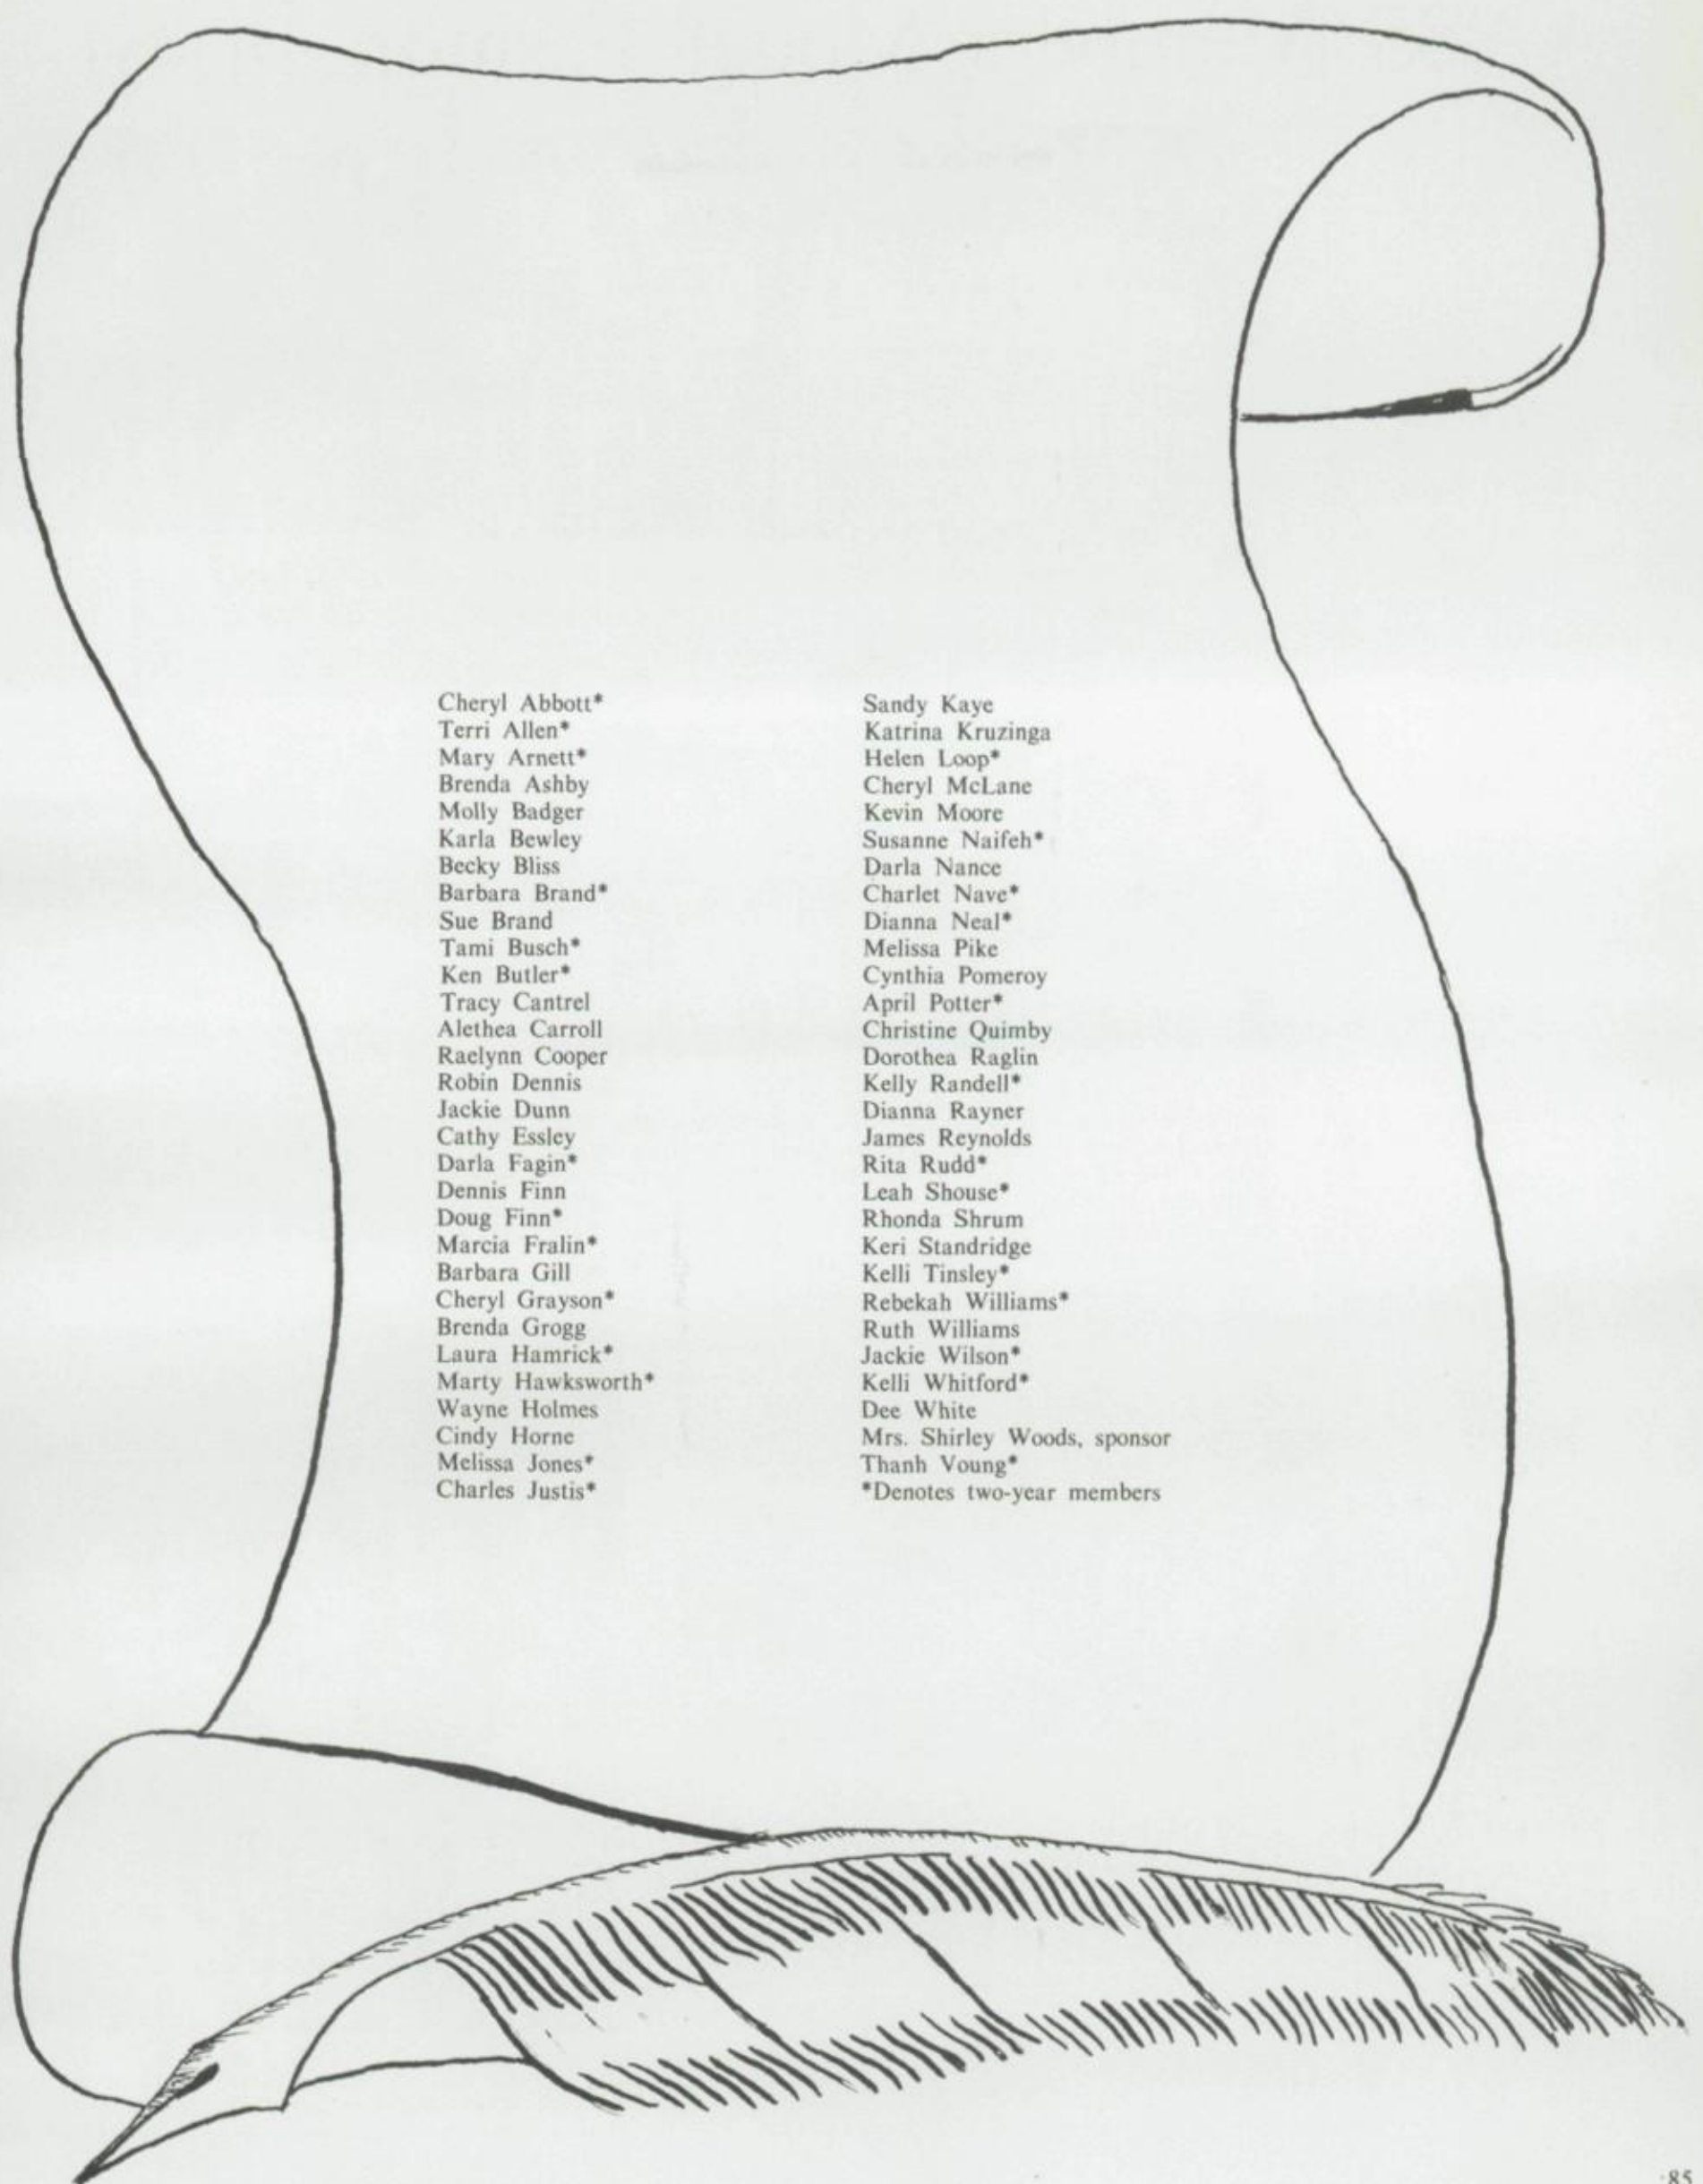

Mrs. Woods and a few members prepare for luncheon.

CAST started in the 1960's by Miss Foster. In previous years, one of the main branches of CAST was clown troop. It was for people interested in mime or just plain entertaining. They participated in parades and visited nursing homes. Clown troop was brought to a close with the participation in the Miss Oklahoma Pageant of 1979.

Miss Haley was the sponsor of this year's CAST. This organization is for anyone interested in theatre. CAST's plans for the 1980-1981 school year included visiting the Performing Art Center to see a production, a dance on the Central stage, and a banquet in the spring.

Band Camp confusion

Senior, Peter Hulen, "checks out" the music.

Senior, Joel Ross, jams to the rock beat.

The Marching Braves began their year with a trip to Sequoyah Hills State Park for band camp in late August. This week was spent teaching the new members the techniques of marching. It proved to be a successful week — one of fun and hard work.

During the football season the Braves were at school at 6:30 A.M. to prepare for the season's activity. They took trips to Tahlequah, Wichita, and Denton, Texas, where they won second place in their class. They marched many parades throughout the year and went to Tri-State in the spring. The highlight of the band's year was their trip to Indianapolis, Indiana, where they represented the state of Oklahoma at the Indianapolis 500.

With the addition of new uniforms to give them a brand new look and the direction of Bob C. Lees and Darrel McGee, it was no wonder the band had a great year. In grand style, they maintained the tradition of keeping that Central Spirit always at its highest and living up to its name: The Central Marching Braves!

The band helped pull things together at pep assemblies.

A brass sectional shows their stuff at band camp.

Adding Classical Touch To Central

This year our orchestra was much larger than in the past and had better instrumentation. Under the direction of Bob Lees, this group of classical artists met third hour for practice. Most of Mr. Lees' students excel in different areas of music; therefore, he saw most of them more than once a day.

(Left to right) Row 1: Vicki Atkins, April Edgett, Phyllis Dawes. Row 2: Joel Ross, Greg Seaba, Bob Lees, David Short, Dianne Ferguson, Rachel Wilson, Jody Purcell. Row 3: Phillip Syas.

Concert Band: More Music

(Left to right) Row 1: Jody Perryman, Laurie Timmons, Lisa Willbourne, April Ford. Row 2: Richard Carter, Teresa Mendenhall, Lori Wardlow, Gary Watie, Marty Minor, Lori Thresher, Amanda Williams. Row 3: Carla McGee, Wendy Yost, Trena Martin, Alice Carroll, David Hamrick, Mitch Crain, David Loop, Danny Bryant, Steve Mantich. Row 4: Mr. Lees, Chris Tarver, April Edgett, Clem Reed.

Under the direction of Bob C. Lees, the Marching Braves moved smoothly into their concert season. The class consisted of 45 members and met 6th hour. They climaxed the year's activities by performing at Tri-State at Enid in the Spring.

Ensemble Jazzes It Up!

Senior Gina Winnett, accompanist for Ensemble is getting with the music.

Peter and Sandra jazz it up with the Braves beat.

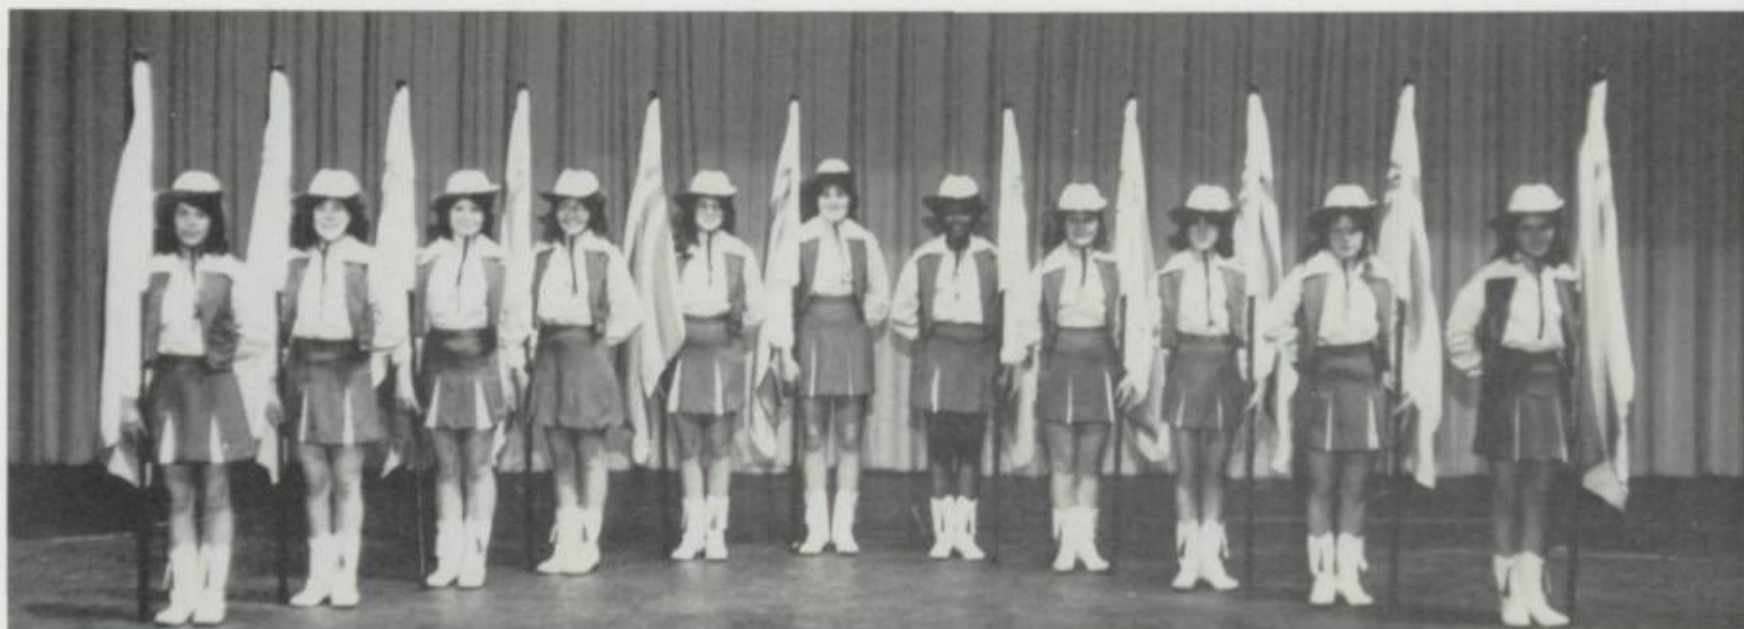

Row 1:(L-R): Mr. Lees, Gina Winnett, Brenda Ashby, Joel Ross, Peter Hulen, Rachel Wilson. Row 2: Paul LeBlanc, Sandra Parnell, Tracy Park, Greg Seaba. Row 3: Amy Traver, Paul McConnell, Clem Reed, William Baptiste, Mark Rogers, Dennis Finn, David Loop, Jody Purcell, Mark Price, Dee White. Row 4: Danny Aery, Mitchell Crain, Eddie Sturgeon, Ken Braden, Mike Ramsey.

Enthusiasm was the general feeling expressed by Mr. Bob C. Lees about this year's jazz ensemble. With 26 students enrolled, they were well represented with good instrumentation. The group attended the Green Country Jazz Festival on February 25, with guest star Maynard Ferguson. On May 2 they performed at the 1981 Gilcrease Rondezva's sponsored by the Thomas Gilcrease museum Association. They also performed at Tri-State in May.

Ensemble's rehearsals were during fourth hour.

Flags And Twirlers Top It Off

(L-R): Tracy Johson, Sue Brand, Vernia Wynn, Cindy Lawrence, Melissa Pike, Rae Lynn Cooper, Mondo Porter, Jackie Williams, Lynnia Reynolds, Cathy Essley, Rachelle Burdge

Central's Flag Corp was a beautiful addition to the Marching Braves. They added much color and movement that helped to unify the band. The group have represented Central very well this year, bringing home a #1 with them from Tahlequah. They have plans to attend flag corp competition in Ada on July 28, and perform at Tri-State at Enid in May.

Twirlers add color and spirit to pep assembly.

Freshman, Tammy Lytal and sophomore, Tina Hix were new to Central this year. They reassured the Marching Band Director, Mr. Lees that the Braves would remain well represented this year. Tammy and Tina have brought many honors to Central and their talent did not go unnoticed. It was appreciated at football games and at the many contests they attended. The Fair Parade Board awarded Tina the honor of being Miss Fair Parade Sweetheart and Tammy the honor of being Miss Majorette. They had a good year, having won many superior ribbons, and competed at Tri-State in May.

(L-R): Tina Hix, Tammy Lytal

Wind Ensemble: A New Sound

Clarinet section patiently waits for director to begin class.

Saxophone section jazzes it up.

This was the first year for Central's Wind Ensemble. It consisted mainly of upper classmen and was, in essence, an advanced band class. A wind ensemble normally has two instruments on a part, but Mr. Lees arranged the band to have as many to a part as was necessary to carry the sound. This group of 48 members brought a new sound and the beginning of a tradition to Central.

Papa Teague: Our Music Man

Mr. Rex Teague, better known as "Papa" has been a favorite at Central for the past twenty-six years. Papa Teague has devoted his spare time in early spring working with Opera Club members to perfect and perform their annual musical. Mr. Teague graduated from the University of Tulsa as a music major and before coming to Central was the band director at Claremore High School for five years.

We dedicate these two pages to Mr. Teague, who's retiring this year. The faculty and students realize they are not only losing a fantastic music instructor but also a spiritual leader. We will always remember what he has done for CHS and think of him with much gratitude and respect.

"Meet me at the footbridge in fifteen minutes . . ."

Chiaroscuro Brings Art To Life At CHS

President Doug Finn organized many of the activities sponsored by the Art Club this year.

Chiaroscuro began in 1917. Over the years this organization has blossomed into one of the most active in Central. They are responsible for the upkeep of the plants in CHS halls. They sponsor a very enjoyable evening in late November entitled The Beaux Art Bal. During football season they sell red and white carnations on game days.

Luke Ferguson is proud of his artistic accomplishment — rightfully so.

Home Away From Home

Pam Godwin, from Melbourne, Australia, fell into step right off the bat. She attended most of the Central football games and in late fall, was the pitcher for the CHS softball team. She was quite active in AFS, FCA, Keywanettes, and Red Feathers. She was the Student Council Treasurer and participated in the Opera Club musical.

In Melbourne Pam enjoyed playing softball and she worked the switchboard at the Melbourne Monash University. During her free time she went to parties and the theatre. Comparing the U.S. theatre prices to Australia's prices, adults are \$4.00 to their \$2.50 and students are only \$1.75. Chinese food is very popular in Melbourne, along with McDonalds and Fish and Chips. Clothing is also less expensive there.

Pam goes to the Christian Church in Sand Springs and has had the opportunity to meet many people from not only Tulsa, but also the surrounding area. Her stay here in Tulsa has been enjoyable for the ones that have grown so fond of her. We wish her the best of luck in the future and her life in Australia.

Diego Cespedes, our exchange student from Cali, Colombia, South America, was born December 10, 1962.

In Cali, Diego has a brother, age 20, and a sister, age 12. The majority of his relatives live in Colombia, although he has cousins who live in New York and Los Angeles.

In Colombia, Diego worked with his father, who is a GM dealer.

At CHS, he attended the majority of our football

games, but was particularly enthusiastic about our basketball.

Diego not only took French, Languages Skills For Business, U.S. History, accounting, drama and track, but was a member of Student Council, AFS and Key Club.

We value the interest Diego displayed in us as people and feel confident that his easygoing manner will help him to adjust to his surroundings anywhere he is.

The American Field Service/International Scholarship Program started in 1914 during World War II. Its purpose was to provide young people from all over the world the experience of going abroad and learning about other countries. This year our AFS Chapter sponsored Diego Cespedes and Pam Godwin. Besides selling candy the AFSers had a Christmas party, where they visited a nursing home. Our AFS students were enthusiastic people anxious to adapt to the American way of life and became quite active Centralites.

Clubs Promote Student Interest

This year was sparked with a new organization at Central, the Indian Club. It was sponsored by Mrs. Tonemah and Mr. Cruz. Its objective is to promote the Indian culture. It also provided social interaction for its members. The officers this year were Sandy Kaye; President and William Baptiste; Vice-President.

Tribal Tribune Keeps Ear To Ground

In the 1968-69 school year Central started its first paper, Brave News World. In November, 1969, the name was changed to Tribal Tribune. The newspaper has an important role at Central. It delivers students the news of school and local events. The staff sends the paper to Oklahoma Interscholastic Press Association every month for competition. Other high schools in the state participate in this competition.

"The Tribal Tribune staff endeavors to cover all activities of the school and of all classes. This year has been a special challenge to the reporters with the addition of the freshman class. The staff has worked very hard to carry out the principles of responsible journalism."

"Deadline this Friday! We need forty pages by the end of the week! Who's going to Petersen's? I need a role of film developed! My pictures don't fit my layout! Help!!" This was only a fragment of the many reasons your Tom Tom staff went insane.

To be sure, planning and designing the yearbook was no easy job, and at times (as in deadlines) it honestly made it a little bit hard to smile. We on the staff worked hard both day and night never losing sight of our one major goal: to make your yearbook one that you'll remember for many years.

It was a lot of hard work, not to mention time consuming, but it was worth it because we worked whole heartedly, hoping that you would enjoy your Tom Tom not only on the day you receive it, but in all the years to come.

The Varsity Cheerleading squad has represented Central with high honors and pride this year. During the summer months when students are at home, work or vacationing, our cheerleaders are at school at 8 a.m. each morning preparing not only for camp, but the athletic season in the upcoming fall. This year's squad went to cheerleading camp in Fayetteville at the University of Arkansas. At camp they won four superior ribbons, two excellent, and brought home a spirit stick which symbolizes cooperation, enthusiasm and performance throughout the entire week. On the final day of competition Central was announced one of the top three out of over sixty squads from Oklahoma, Texas, Arkansas, Michigan, Kansas and Missouri. Central also won the "Key to Spirit", voted on by all of the squads for the most spirited and friendliest squad during the week. Central is proud of their accomplishments and they are appreciated for their devotion to our mighty Braves.

The squad also included sophomores, Kerri Helker, Tray Bartlett, Tracy Williams, Sharon Hockett, April Harris, Lynn Minter and freshmen, Donna Fagin, Janessa Bradford, Robin Johnson and Christy Wayne.

A week at T.U. for summer camp was only one of the highlights of their year. They cheered at all junior varsity events as well as sophomore games, and participated in the pep assemblies. The sophomore girls will have an opportunity to try out for the varsity squad as juniors in the spring and should they make it, the opportunity of leading the J.V. squad will be left up to the freshmen their sophomore year.

Central was blessed with a great bunch of girls and they learned early, how proud one should feel, just wearing Red and White for the Braves.

Braves Never Let Down

Our football team was made up of many talented individuals who fought long and hard for the Braves, never giving up when things got tough.

Much of the team's spirit can be attributed to Central's new head coach, Ted Alexander. Coach "A" practiced the team twice a day during the latter part of August to prepare them for the upcoming season.

Central was determined which was proved by the scores of the games. When the Braves travelled to Enid, they gave the Plainsmen a scare as Enid barely eked out a 14-7 victory.

At left: Richard Young pushes his way through the line. Above: Doug Bonner rushes to sack a Hornet.

Central Braves Never Say Die

"Give them an inch and they'll take a mile" characterized our varsity offense. Powerful running by Gary Phenix and Richard Young mingled with passing by Steve Ware and Gary Phenix kept our adversaries on their toes.

Watching the team run out of the locker room and onto the field brought pride to us, and no matter what happened, we continued to fight and cheer for the red and white that is Central.

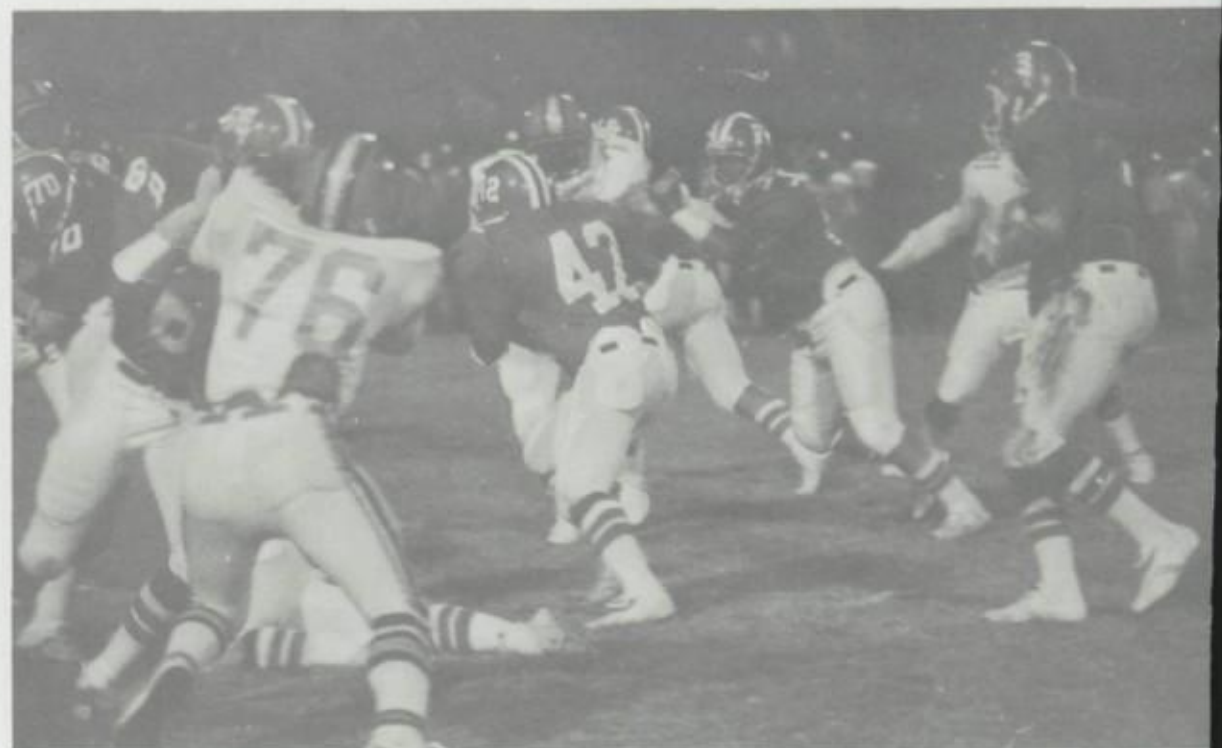

"Never say die" was the motto of this year's defense. An attitude of true comradeship, along with hard hitting, gave our opponents some trouble. Leading our defense was Tommy McCaslin, Lewhalen Johnson and Arch Ponds. However, all of our guys did their fair share.

Although beaten on the scoreboard, Central was never beaten on the field or in spirit.

Congratulations to all our guys, but a special congratulations is extended to Tommy McCaslin and Richard Young who were picked for the top eleven players in the All Conference.

Central warms up before a hard scrimmage against Union.

Richard Young finds daylight in Hornet's defense.

Our Junior Varsity really poured it on, giving Central one of its best seasons in many years.

Shifty moves by Gary Phenix, Nick Prince and Ethan Benjamin constantly upset our foes.

Defense was more than adequate as the scoreboard revealed. Anchored by stalwarts such as Jess Rensler, Anthony Pickens, Dwight Sanders and Richard Hunt, the team put down the opposing team time and again.

Ending the season with a 6-3 record, the Junior Varsity proved their winning reputation against the other junior varsity teams.

Next year the Junior Varsity plans to outrun and out-maneuver all of their opponents. If Central's Junior Varsity continues to play as they did this year, Tulsa town could be in for a big surprise.

Central rejoices over a win.

Pam Godwin quickly retrieves a lost ball.

Rae Lynn Cooper gives her dynamic pitch.

Under the supervision of Coach Ioder Fisher, fourteen girls made up Central's first softball team. Pam Godwin, our foreign exchange student from Australia, was chosen the team captain. The softball season was under way by the second week of school and the girls were ready to go. They won two and lost three games in the regular season, and then went to the playoffs, only to slaughter Mannford 19-11. Unfortunately, the second game was lost to Sand Springs 4-2.

Pam Godwin and Kay Weston led the team in hitting. Angela Spivey (catcher), Diane Treat (2nd base) and again Kay Weston (outfield) led the team in fielding. Adrienne Williams and Kathy Frank were the outstanding runners.

Coach Fisher seemed pleased with our first year season and he hopes to return as coach next year. His final opinion of the team was concluded with "I hope that all of my teams show as much class and character as my first. If so, I'm sure it can continue to be fun as well as competitive."

Another great catch by Angela Spivey.

Another season opened and the Braves were on top bringing Central a victory over Rogers, 68-66.

Starting the team were Bennie Williams, Daryle Smith and Jim McDaniels, Seniors; Marvail Dogans, Eugene Jones and Reggie Young, Juniors.

The Braves worked hard and deserve a lot of credit as do coaches Gene Williams and Ioder Fisher. "Congrats" are due the Braves for winning the first place trophy at the Broken Arrow Classic after three nights of tough competition.

Daryle Smith was the "agrivator" of the team. His lightening-fast ability to swipe the ball was a big advantage to Central. Our 6'8" Jim McDaniels, known as "Big Jim," was a terror under the basket. Marvail Dogans was the team's leading rebounder, often backed by Jim. Eugene Jones and Reggie Young were hot at outside shooting while Bennie Williams excelled at shooting from the inside lane.

Central will be losing three starters next year but the presently undefeated sophomore team will be a big help for the Braves next year.

J.V. Never Let Down

This year's Jr. Varsity was made up primarily of sophomores with only four juniors on the team.

J.V. is a training period for the players who are anticipating going on to the varsity team. Considering the tough competition the young team faced, the Braves did all right.

Ioder Fisher, coach, predicts a strong Jr. Varsity team next year since the undefeated sophomore team will be moving up. He also believes that this year's J.V. players will help varsity next year even though we're only losing four from the team.

"This is definitely the strongest boy's sophomore team that I've seen at Central since I've been here," said sophomore coach, Ioder Fisher.

The Braves efforts show with an undefeated season. These sophomores will move on to varsity next year and they will obviously be a tremendous help to the team.

Team starters include Wayne Cornellius, Michael Fonville, Gary Phenix, Bruce Benjamin, Jack Howell and Jeff Newman.

Congratulations to a great team and for all the hard work they contributed to Central.

Considering that the Sophomore girls were young and inexperienced, they were able to hold their own. "The sophomores have come a long way, most of the girls had never played before," commented one of the coaches.

Leading the team in scoring was Donna Daniels, while Tracy Williams was considered to be the best on defense. Other starters included Nina Kelly, Suzanne Timmons, Marva Maynard and Lynn Minter.

Many of these girls were able to play varsity this year, and that will be a big advantage to the team. Even though they lack certain fundamentals there is no denying that the girls are quick. "Next year they will have had a full season of experience under their belt at varsity level and should be on their way," said Coach Alexander.

Varsity Girls Pull Together

This year's season wasn't as successful as third year coach Ted Alexander wished it had been. However, the team concentrated on regionals hoping that they would be ready.

Kim Fox, Jane Smith, Angela Spivey, Wynnee Thurman and Tracy Williams were the team's starters. Much talent was revealed through Fox's ability to shoot, Spivey's rebounds and Jane Smith's defense.

Coach Alexander is looking to have a young but experienced bunch of girls next year. The sophomores played a Jr. Varsity schedule in addition to being on the varsity team.

Varsity Wrestlers Leave Coach Proud

Central's wrestlers were headed by a new coach this year, Tony Speer.

Coach Speer spent two years coaching the Union Redskins and from there he went to McLain to coach the Scots. After two more years he finally ended up here at Central to lead the Braves.

Coach Speer has recognized the strengths and weaknesses of the team and has just had to roll with the punches this first year. The team was young, except for our six seniors who will be leaving. The new coach is going to be patient in building the team and he's hoping that within a couple of years Central will have state contenders again. "We had a good attitude considering we faced strong competition. I'm proud of them because they never gave up."

New Team Has Fresh Start

The Central High School swimmers were a young team, considering no seniors competed this year, which left new athletic director, Coach Balint, the challenge of starting totally from scratch.

The first relay consisted of three juniors and one sophomore. Therefore, the burden of swimming fell mainly upon juniors Mike Pompa, James Reynolds, Paul Jorritsma and sophomore Chris Phillips. Eric Goins, Rick Hines, Darren Fryhover and Barry Cone swam a large number of 200 and 500 yard freestyles. Sam Park, David Bailey and Mark Abbott proved to be promising freshmen, along with Roberta Wilson, also a freshman who has established herself as a fine swimmer.

"Our times have improved considerably," commented Coach Balint. "The Braves are looking forward to being much more competitive next year."

Wayne Foster, new to Central, was coach of Central's tennis team. Seniors Diane Rayner, Kevin Ganote and Karen Jernigan were first-year players. The rest of the team consisted of freshmen, one sophomore and three juniors, which should leave the team in good shape for next year.

Team Has In Quality What It Lacks In Quantity

Central's golf team was underway by the middle of February. Coach Forest Hummel practiced the team every day sixth hour, when weather permitted. The season's activities kept the players busy at least three times a week. The team was one of the best that Central has seen in a while, which leaves next year's golfers looking hopeful considering the team only lost one senior.

Row 1 (L-R): Frankie Oats, Shawn Abbott Row 2: William Ward, Greg Ladd, Reggie Tinker, Kevin McDaniels.

Central Team Makes Big Hit

Last year the baseball team finished 8th in the state in final polls, and with seven returning varsity players, things are looking good for the Braves. Keith Caviness, Wayne Holmes, Doug Finn and Darrell Smith will be graduating this year which will be a substantial loss of talent; however with the remaining players of the team and some new additions the team should look good next year.

Coach Terry Brinkman has an optimistic outlook on the season and hopes to keep the team improving both in conference and in state.

Row 1 (L-R): Dennis Finn, Kevin Moore, Darrell Smith, Richie Hunt, Charles Blevins, Kenny Troxell, Jeff Albert Row 2: Coach Terry Brinkman, Keith Caviness, Wayne Holmes, Jeff Frizzell, Jesse Renschler, Maury Campbell, Doug Finn

See How They Run

Row 3: Coach Jerry Neel, David Barr, Roberto Knapp, Rick Allen, Chris Casey, Mike McGlothan, Greg Adamson, Jackie Anderson, Kevin Ganote, Head Coach Ted Alexander.

Central's track team was large this year, containing 38 members led by coaches Ted Alexander and Jerry Neel.

However, the quantity is not the important factor. It's the quality that wins and the Braves have plenty of it. The team has an over-abundance of individual talent, not mention team work. Central has always held its own in track, but this year it has the potential to move ahead, and judging from the last two years, the Braves will do just that. If the team continues to grow in sportsmanship and talent, there will be no looking back for the Central Braves.

New Team Boosts Central Spirit

The volleyball team was another new sport at Central this year. Miss Scott, girls' physical education instructor, coached the team. The team consisted of Verna Wynn, Roberta Wilson, Sharon Hockett, Kim Snelling, Tamera Wynn, Veronica Gray, RaeLynn Cooper, Gwen Chaney, Sharmin Hooks and Tressa Lovelace. We wish them much success in the following seasons!

Scholastically Outstanding Centralites

These next four pages are reserved to give recognition to twelve special students in four categories as selected by members of the faculty and student body. These people are the "Outstanding Centralites." The first time this was done was in the 1979 *Tom Tom*, and the staff thought it was a good way to show honor for a few deserving candidates, and to continue what could become a great tradition in *Tom Tom*.

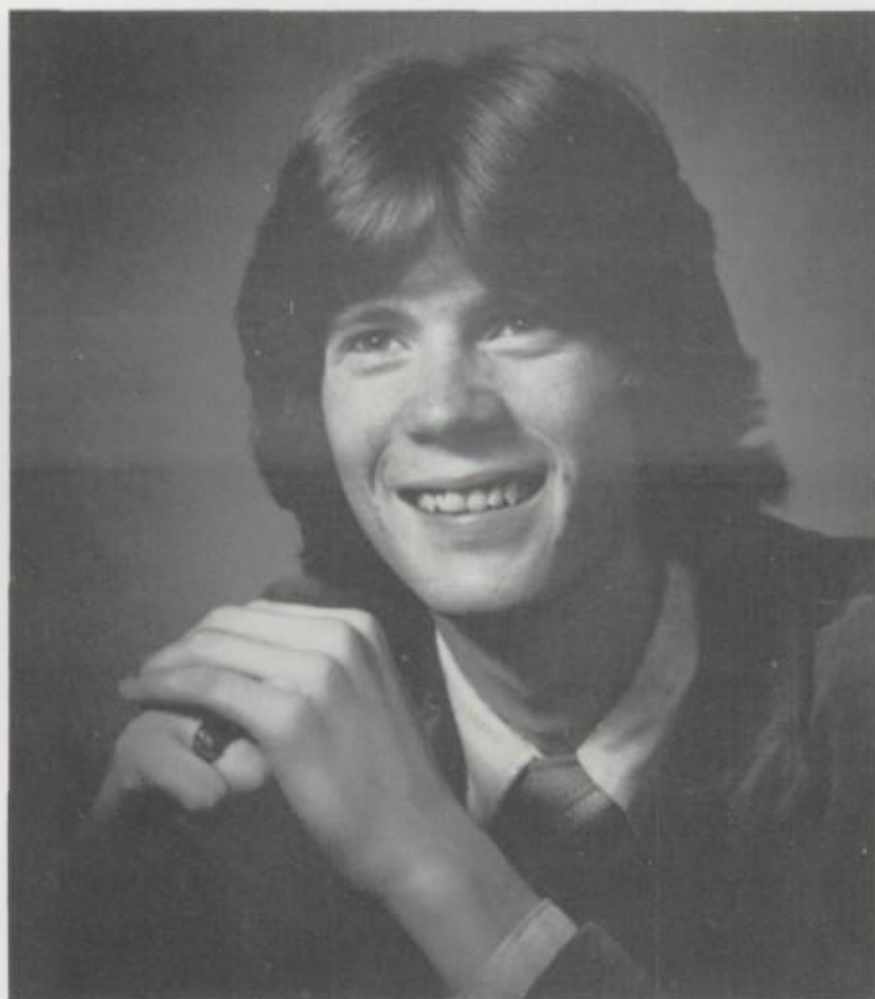

Even though language could be considered a slight barrier in his case, Thanh Vuong has still had a remarkable career at Central. His grades have always been good in English, and he has maintained a high grade point average in all his accelerated math courses.

Liz Brand was number one senior in class ranking. She has kept a 4.0 grade average since ninth grade while being active in school activities such as Band and holding down a part time job. She is truly an Outstanding Centralite.

Ken Butler shows his "outstanding" abilities on scholastic leadership with a tough academic schedule that he has carried throughout high school. He has maintained a 3.84 grade average and is ranked fourth in his class. He was also Central's only National Merit Semifinalist this year.

Athletically Outstanding Centralites

Tom McCaslin

In the athletics category, there were three subdivisions. We have one student representative from each of the three seasonal sports: fall, winter, and spring.

Tom McCaslin was selected for his participation in fall sports. He was co-captain of the football team, and a valuable asset in any position he played. He was also a recipient of the "Challenger Award," presented to him through Central's chapter of the FCA, of which Tom is an officer.

Angela Spivey was a very talented basketball player for Central and the Outstanding Centralite in winter sports. She is also a member of the AASS and very active in other activities.

Darryl Smith is the Outstanding Centralite for spring sports for his participation in baseball. He was the team's second baseman. Darryl has played Varsity basketball for Central also.

Angela Spivey

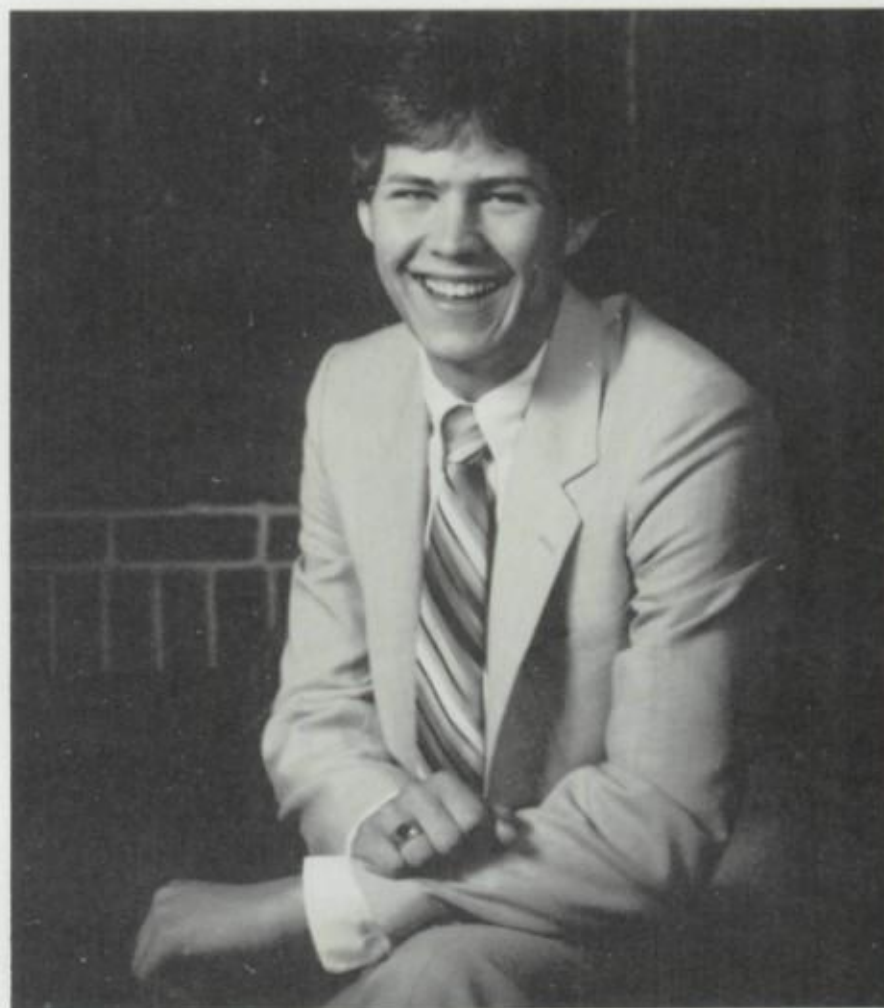

Darryl Smith

Serving Outstanding Centralites

Charles Justis has been helping out around school for quite some time. He has been in Key Club for two years, and when the Treasurer had to quit his position, Charles eagerly took the post. He is also in FCA, Scalpers, a library aide, and a Senior class officer.

Greg Ladd was Key Club's President this year. He has been very actively involved in the club for three years and he has also held the position of Treasurer. Other activities in which Greg takes part include Opera Club, FCA, Varsity Athletics, Scalpers, and he is a library aide.

The Student Council President and an outstanding Centralite in service is Mary Arnett. The organization was very successful this year and prospered under Mary's leadership. On top of this heavy responsibility and working part time, Mary also found time for Opera Club, FCA, Red Feathers, and she kept a high grade point average as well.

Artistically Outstanding Centralites

Laura Hamrick

Laura Hamrick has been very active in Central's fine arts program all the time that she has been a student here. She has had parts in most of the class plays, she has been in Opera Club for three years and participated in the musicals, and she was voted "Best Cameo Role" for 1980. She has also been involved in the annual "Daze" each year.

Peter Hulen takes part in all phases of productions here at Central. He had the lead role in the sophomore/junior play in his tenth grade year as well as being involved in Technical Theatre and Band. His acting ability is equalled only by his saxophone playing. He has an all-around theatrical and musical talent.

Greg Campbell found that his interest lies in Art here at Central. He has been in Mr. Hasty's classes for three years and has also spent two years in Technical Theatre. Greg was enrolled in Opera Club this year, too.

Homecoming Brings Life To Central

At the Homecoming game the Central Braves took on the Memorial Chargers, and even though Central trailed them for the majority of the game, one would never have been able to tell from the spirited cheerleaders, the Mr. Spirit candidates, and the supportive crowd that filled the Central bleachers.

Homecoming provided us another opportunity to view Miss Central, Becky Counce, and her court. It was the very special climax to a very special week — one that many of us will not soon forget.

King Daze LV

Representing the fifty-fifth King Daze in a long line of Central's finest young men is Hoyt Massey.

Hoyt was nominated to the position of junior attendant to King Daze last year and he advanced to become a finalist.

Hoyt says that after he finishes school here he wants to attend a major University and study computer and laser technology. He is also considering joining the Air Force. His job at the Bolero Bowling Alley has kindled an interest in that type of business, and he said he is also interested in eventually owning or managing one.

His main winter pastime is bowling. In the summer he enjoys more athletic endeavors such as swimming, boating, camping, and fishing.

Hoyt's coronation was traditionally held during Daze, this year's theme being "A Daze in Living Color." That theme truly came to life as the beautiful deep purple robe and crown were placed upon his shoulders and head. The crown that so many aspiring Centralites have worn with swelling pride and dignity. It moved many to see Hoyt take the vow like so many who have gone before him. And with Central's highest honor bestowed upon him, he can do nothing less than fulfill its demanding, yet rewarding, high standards.

King Daze LV. Lord Hoyt Massey

Miss Central LX

Miss Central LX, Lady Becky Counce

This year, we chose a very exceptional girl to bear the crown of Miss Central. She displayed her great beauty, wisdom, and leadership in such a way that captured all of our hearts. That young lady is Miss Becky Counce.

" . . . there are lots of honors to be won in a lifetime, but at this point in ours: Tami's, Lisa's and mine, the greatest of these is the honor of representing you as Miss Central. Thank you for allowing me to be one of the finalists . . . "

Becky is a member of FCA, Red Feathers, Keywanettes, and Student Council. She has been in Opera Club for three years, she is on the Tom Tom staff and was a varsity Cheerleader her sophomore and junior years.

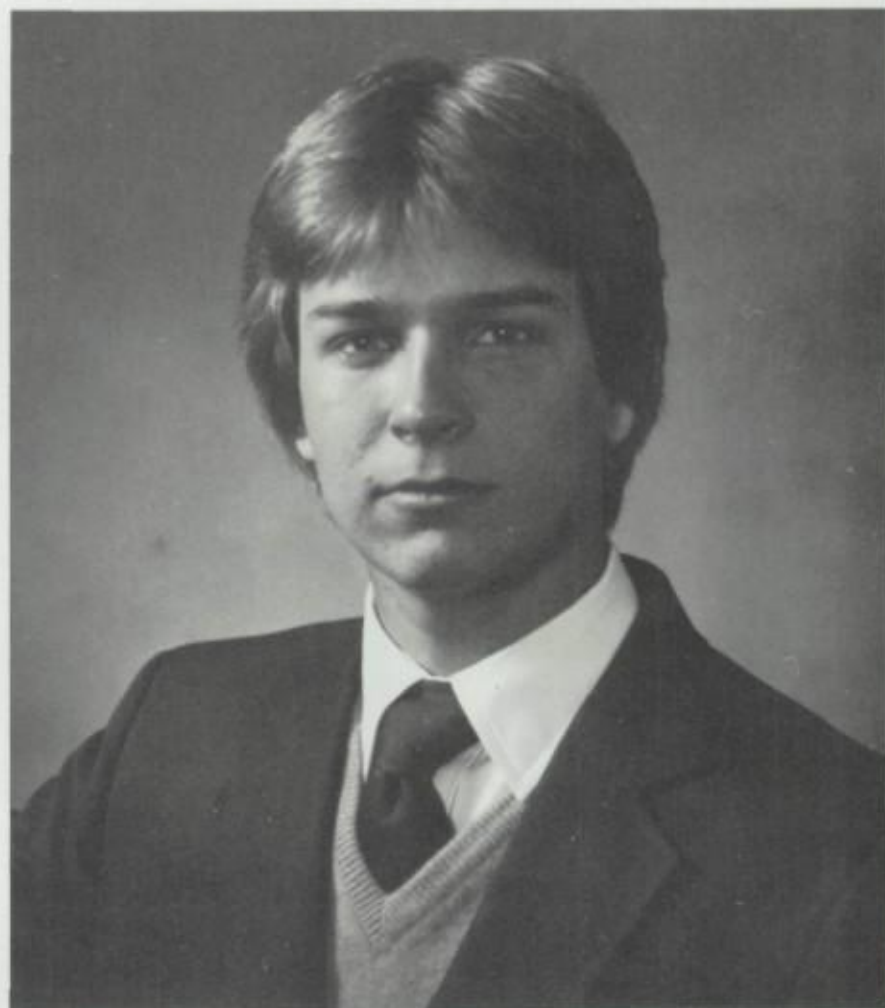

" . . . my life has been filled with good days, good times, and good friends. I feel fortunate that you have been a part of my life the past three years at Central and many of you I have known even longer . . . "

We had many very beautiful candidates for Miss Central. The decision was a tough one to make, but it was a good one too.

Senior Attendants to King Daze

A senior attendant to King Daze is Greg Ladd. Greg's three years here were very active ones, and he received several honors. He played the lead roles in both "Oklahoma" and "The Music Man", which were two of some of Opera Club's finest musicals. He was selected to represent Central in the Boy's State Program, which he found to be a very rewarding experience. He was also a December Brave of the Month. His activities in school included being president of Key Club, vice-president of Opera Club, and a member of Student Council, FCA, and Cast. In his extra time he enjoys snow and water skiing, motorcycling, and playing golf. Greg plans to attend Tulsa University and major in "something business oriented," and he is already planning his major contribution to TU, which will be to play on their golf team.

How can Tom McCaslin's total activities be condensed into a single paragraph? Tom was Senior Class President, captain of the football team, co-captain of the wrestling team, on the tennis team, and on the track team. He was an officer of FCA, a member of Opera Club, Key Club, and Student Council. His long list of honors includes the Challenger Award, October Brave of the Month, Brave of the year, Outstanding Centralite in athletics, and he was an attendant to King Daze last year also. Tom enjoys filling his spare hours with a job at the Interurban and studying his bible, as he is a member of Calvary Temple Baptist Church. In all ways he has represented Central proudly and with great distinction, but this goes without saying . . . his fine record speaks for itself.

Lord Greg Ladd

Lord Tom McCaslin

Senior Attendants To Miss Central

Lady Lisa Chaney

Crownbearer-Lady Janet Williams

Lady Tami Busch

Senior Tami Busch has had an impressive list of accomplishments at Central. She was a Varsity head cheerleader this year, charter president of the Keywanettes, treasurer of National Honor Society, and a member of FCA and Red Feathers. She was nominated a Key Club Sweetheart her junior and senior years, a Band Queen Attendant her sophomore year, and she was an Attendant to Miss Central last year. Because of all these activities and the high grade point average she has maintained, she was included in "Who's Who Amongst American High School Students."

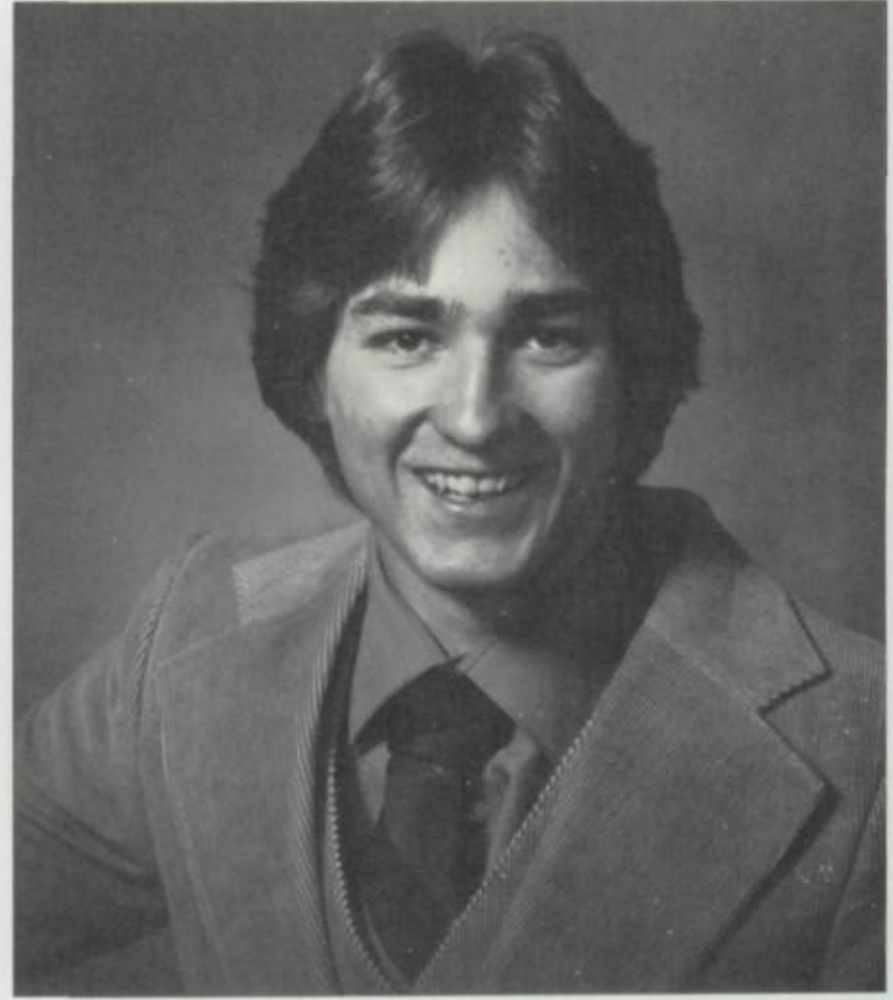

This is not Lisa Chaney's first year as an attendant to Miss Central. She received that honor last year also. She is president of the fund raising committee of the Afro-American Student Society and a representative in Student Council and Red Cross. Lisa plans to attend either Central State University or OU. She enjoys roller skating and her favorite sport is basketball, which probably explains why she is such an enthusiastic supporter of Central's Basketball Braves.

Janet Williams was our crownbearer to Miss Central this year. Being a member of Miss Central's court was not a new experience for Janet. She was a Junior Attendant last year. She was the October "Brave of the Month" and she has participated on Central's girls basketball team.

Junior Attendants To King Daze

Lord Reggie Young

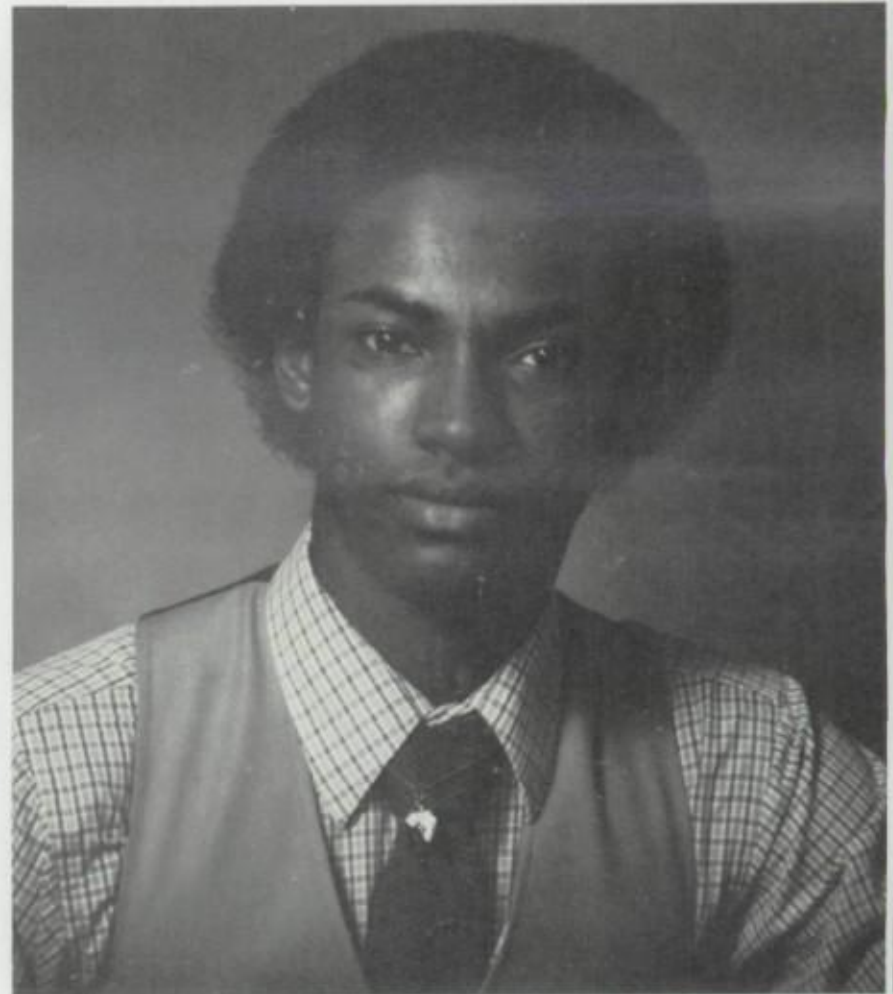

Lord Scott Vanenburg

One of six brothers who has attended Central, John Prince has kept the Prince family tradition alive in this school. He played football both his sophomore and junior years for the Braves, but this and various other "extracurriculars" didn't keep him from placing on the honor roll for several semesters during his first two years here. John is a member of Timothy Baptist Church and his future plans include attendance of a junior college before he goes on to a university.

Scott Vanenburg enjoys playing basketball for Central and has been doing it quite successfully for two years. During his sophomore year he played on the junior varsity and varsity squads as well as participating in junior varsity baseball. This year he played varsity basketball, was elected a junior representative, and held a position on Student Council. In his spare time, Scott likes playing racquetball, hunting, and motorcross.

This was Reggie Young's second year to be involved in the selection of King Daze Attendants. Last year he was one of the nine finalists for the sophomore class. That year he also played sophomore, junior varsity, and varsity basketball and he lettered. This year he was a starting forward for the varsity squad. Reggie listed his spare time interests as: motorcycles, music, girls, basketball, swimming, making tapes, and slam-dunking, but not necessarily in that order.

Lord John Prince

Junior Attendants To Miss Central

Lady Keri Standridge

Lady Sheila Owens

Lady Jane Smith

Jane Smith has shown great athletic talent and has been a valuable part of Central sports. Her tenth grade year she played basketball, ran track, and she was a football manager. This year she participated in girls' softball, basketball, track, was head football manager, and she also joined Red Feathers and FCA. She could be seen at most every football game cheering on the battling Central Braves.

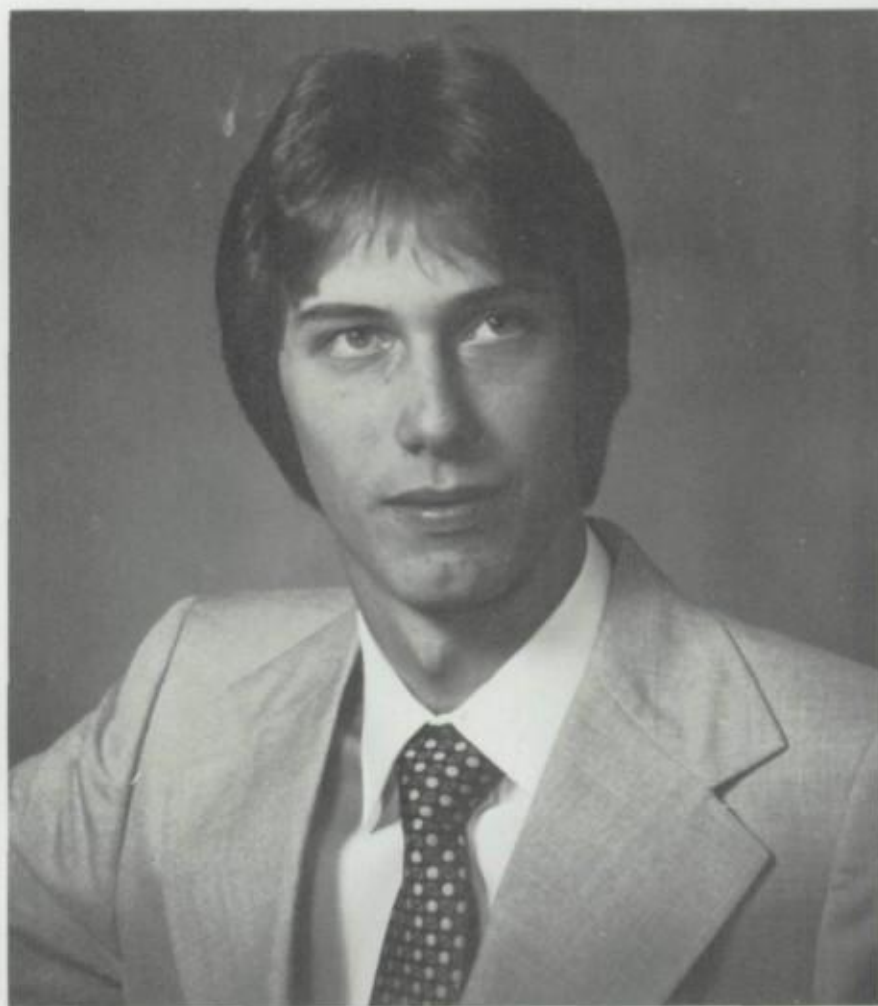

Keri Standridge has been well known at Central for all the activities she has been involved in for the past two years. She was ticket chairman for her homeroom during her sophomore year. She was a charter member of Keywanettes and a member of National Honor Society this year. She has been a timer for the swim team and a member of Red Feathers for the past two years.

Sheila Owens takes great pride in attending Central and being a member of the Class of '82. Her favorite subjects are accounting, history, and acting. She also enjoys participating in quite a few hobbies. A few of her favorites are dancing, swimming, and playing volleyball.

Sophomore Attendants To King Daze

Lord Nick Prince

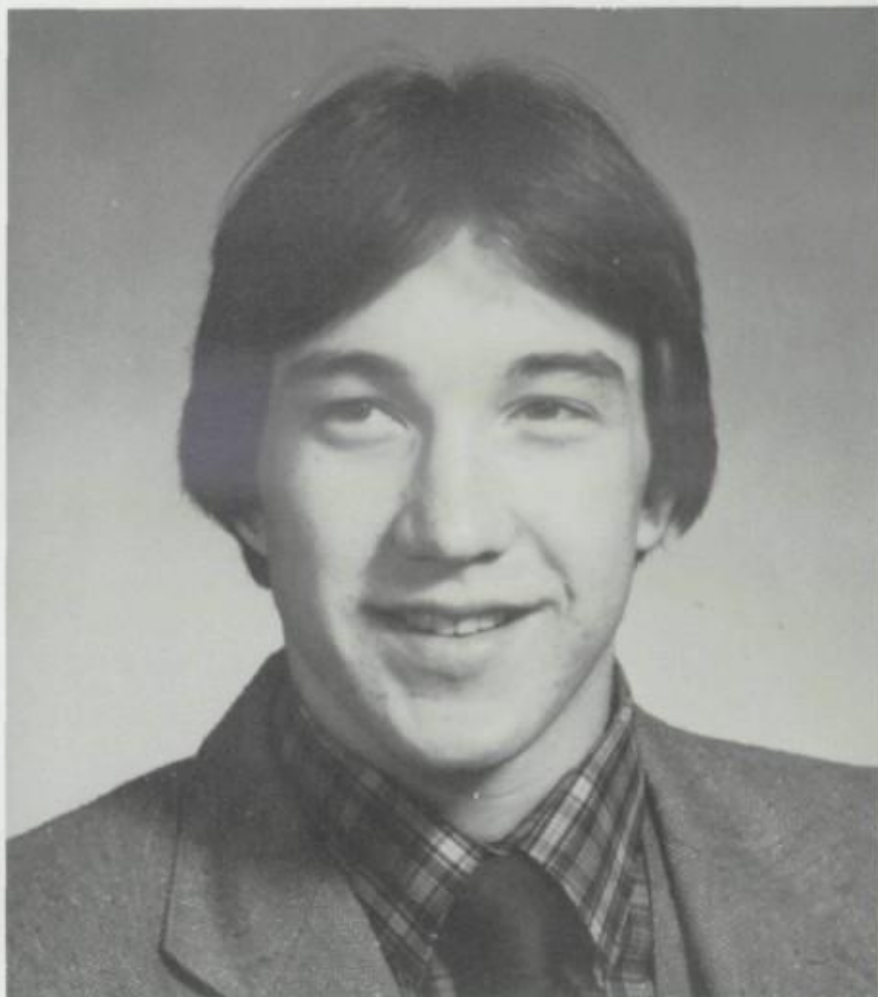

Lord Jeff Newman

Sophomore Mark Blair is very optimistic about his future here at Central. His involvements this year were largely theater-oriented. He played Mr. Kolenkov in the freshman-sophomore play "You Can't Take It With You" as well as being on the technical crew for the Opera Club production of "The Music Man" and participating in the "Daze." He also played baseball, wrestled, and was a member of Scalpers.

Nick Prince donated his talents to the athletic department. He was a fine addition to the football team and a high contender on Central's track team. On top of a successful sports career, Nick has kept up good enough grades to maintain an honor roll status. Nick wants to attend a four year college and major in computer technology.

Jeff Newman discovered that basketball at Central is not only highly competitive, but very time-consuming as well. His abilities were in demand on the undefeated sophomore team, along with the junior varsity and the varsity teams. Jeff says that after he finishes school here, he would like to attend a four year college although he hasn't decided the field in which he is going to major.

Lord Mark Blair

Sophomore Attendants To Miss Central

Lady Kathy Dunn

Lady Tina Hix

Lady April Harris

April Harris showed her great pride in the class of '83 by obtaining a class office this year. She is also a member of the Afro-American Student Society and Red Feathers. She is a cheerleader and also finds time in her active schedule to take part in the Junior Achievement program.

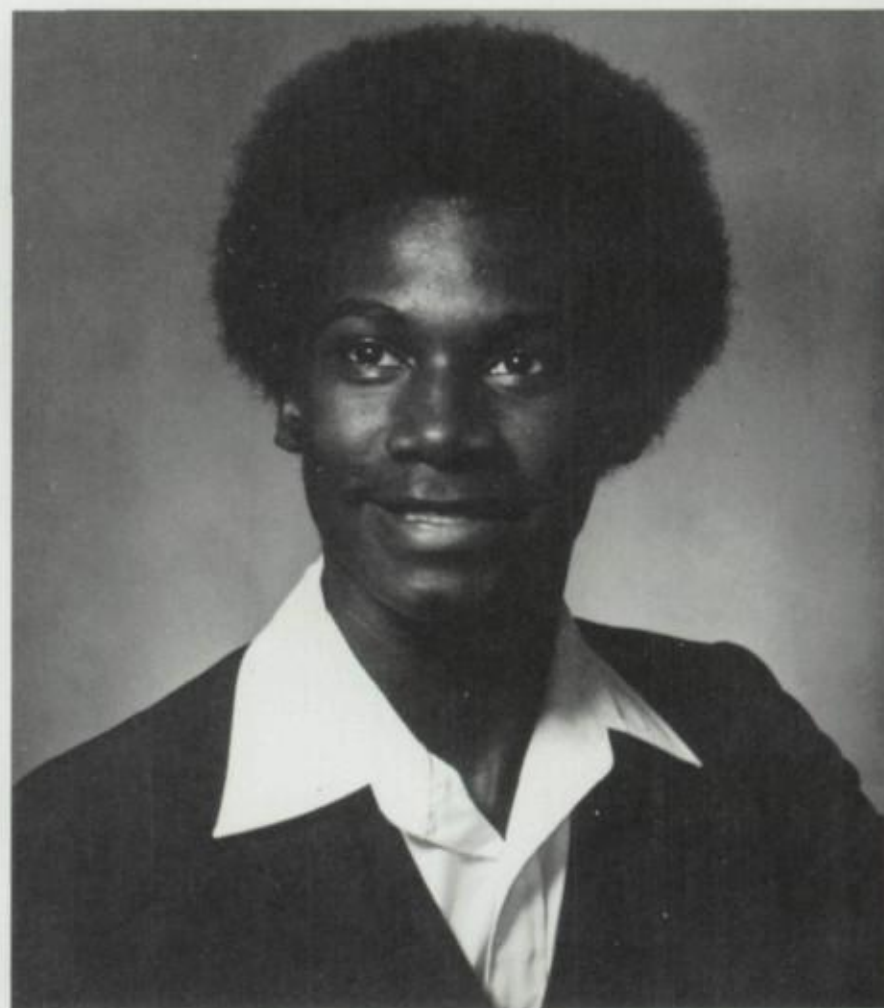

A talented twirler with the Band, Tina Hix has led a very busy life as a sophomore this year at Central. She is a member of Red Feathers and FCA. She participated in the freshman/sophomore play, and she managed to keep up a straight A average during the year. She said that this year has been very memorable for her and she hopes that the following two years will be just as good.

Kathy Dunn has been involved in many various activities during her sophomore year. She was head cheerleader of the Junior Varsity Squad. She was a member of the sophomore board, a stage manager of the freshman/sophomore play and a member of both Red Feathers and FCA. Even with all these responsibilities, she has maintained an impressive 3.75 grade point average.

Freshmen Attendants to King Daze

Lord Shelly Ward

Lord John Tyson

John Tyson takes an active part in many events both in and out of Central. In school, he was selected to participate on the Daze Board and elected to a position in Student Council. Even though John is just a freshman, he already has a long list of accomplishments including staying on the honor roll since seventh grade, being selected as the freshman scholar of the first nine weeks, and receiving top honors in both track and basketball. John says that he and his family are quite active in church.

A possible future leader of Central, Shelly Ward has taken the responsibility of several leading roles in the freshman class. He was President of the Freshman Class Board and Student Director of Promotion and Advertising for the freshman-sophomore class play. His favorite hobbies are fishing and hunting and he enjoys playing baseball and soccer. Shelly said he has really enjoyed the opportunity to attend Central this year.

David Bailey's list of "things to do" at Central as a freshman included being President of his homeroom and Vice-President of the Freshman Class Board. He also played the role of Mr. Depinna in the freshman-sophomore production. David's athletic favorites include swimming on Central's swim team, playing baseball, and fishing.

Lord David Bailey

Freshmen Attendants to Miss Central

Lady Denise Lewis

Lady Yvette Griggs

Lady Micki Johnson

Denise Lewis enjoyed participating in athletics at Central. She played on the girls basketball and volleyball teams, as well as being a member of Central's chapter of the Red Cross. Her hobbies are drawing and sketching, bicycling, and playing "all types of sports." She has enjoyed her freshman year at Central.

Yvette Griggs has been very enthusiastic about her first year at Central and is looking forward to three more years, as she is a member of the new freshman class. She was a representative in Student Council, and she said she enjoyed that because she likes "being with people" and interacting with them. Her favorite classes are English, history, biology, and drafting. She enjoys tennis, skating, drawing, and sewing. She said that it was an honor to be a member of the first freshman class at Central and she hopes to partake in many more of the activities offered here.

Micki Johnson found that her calling was with the band at Central. She takes great pride in voicing the fact that she was one of only two banner carriers for the Marching Braves. She is also a member of FCA. She likes to spend time outdoors and enjoys horseback riding, bicycling, and swimming. One of her favorite hobbies is collecting coins. She looks forward to the challenge that Central has to offer her in years to come.

Coronation Ceremony One To Be Remembered

Becky Counce was crowned Miss Central LX in the coronation ceremony on October thirty-first, nineteen hundred and eighty. There were nine finalists, and the Senior Class had a hard decision to make in choosing Miss Central.

Since the first Miss Central sixty years ago to Miss Central LX, it has become the greatest honor for any young lady to attain. Becky was attired in the traditional long red velvet dress that dates back thirty years. Year after year the list of names that the High Chancellor reads grows longer, as the tradition grows older and stronger.

The Royal Court anxiously awaits their queen.

Lady Becky Counce ascends to the throne.

Big Week Raises Spirits

"Got any carrots?"

"So it's Spirit Week. Big Deal!"

October 27 through 31 marked Spirit Week. Central students turned out en masse to do crazy and insane things. Activities included Zany Tie, Socks, and Shoes Day, Halloween Costume Day, Spirit T-shirt Day, Class T-shirt Day, and Red and White Loyalty Day. Activities were sponsored by Student Council and Red Feathers, and points were tallied so that a winning class would be determined, and that class would be awarded the Spirit Drum. Needless to say, the seniors won the drum by a landslide.

Inhibitions were cast off.

Mr. Spirits Let Go

During Spirit Week, a group of daring young men, the "Dirty Dozen" as one might call them, got out and raised money while showing off some of that good ol' Central Spirit. These were our "Mr. Spirit" candidates. Some showed their spirit in cheerleader uniforms, some in togas, but all in fun. At the end of the week, the money they had collected was counted and, as tradition dictates, the person with the most money collected was declared Mr. Spirit. This year, Centralites elected Joe Wooten.

"Toga! Toga! Toga! Toga!"

Band Queen

Central's Band Queen for 1980-81, Lady Rita Rudd.

Central's Band Queen must represent not only beauty and charm, but a superb musical talent as well. There were many eligible and deserving candidates, and the Band chose from amongst them, Miss Rita Rudd as the 1980-81 Band Queen.

Rita's activities at Central have included being a member of the Marching Braves and soloing with the Jazz Ensemble during "Daze." She is President of her homeroom, a member of Red Feathers, FCA, a charter member and officer of Keywanettes, and co-editor of this yearbook. She was also a Band Queen Attendant in her junior year.

As done in years past, Rita was crowned the night of Band Homecoming, which was our game against Washington of October 24. Her escort was Dennis Finn.

Rita's coronation was just another brief moment we will always want to remember . . .

Band Queen Attendants

Senior Lady Cheryl Bee, Junior Lady Cathy Essley, Sophomore Lady Tray Bartlett, and Freshman Lady Robin Johnson.

"I can't believe I made it."

"I don't know whether to laugh or cry!"

Tray Bartlett, above, and Cathy Essley, below, show their joy at the news of their winning an attendant position.

Central's Band Queen and her court have always had the reputation of being some of the best people that the school, as well as the Band, has to offer.

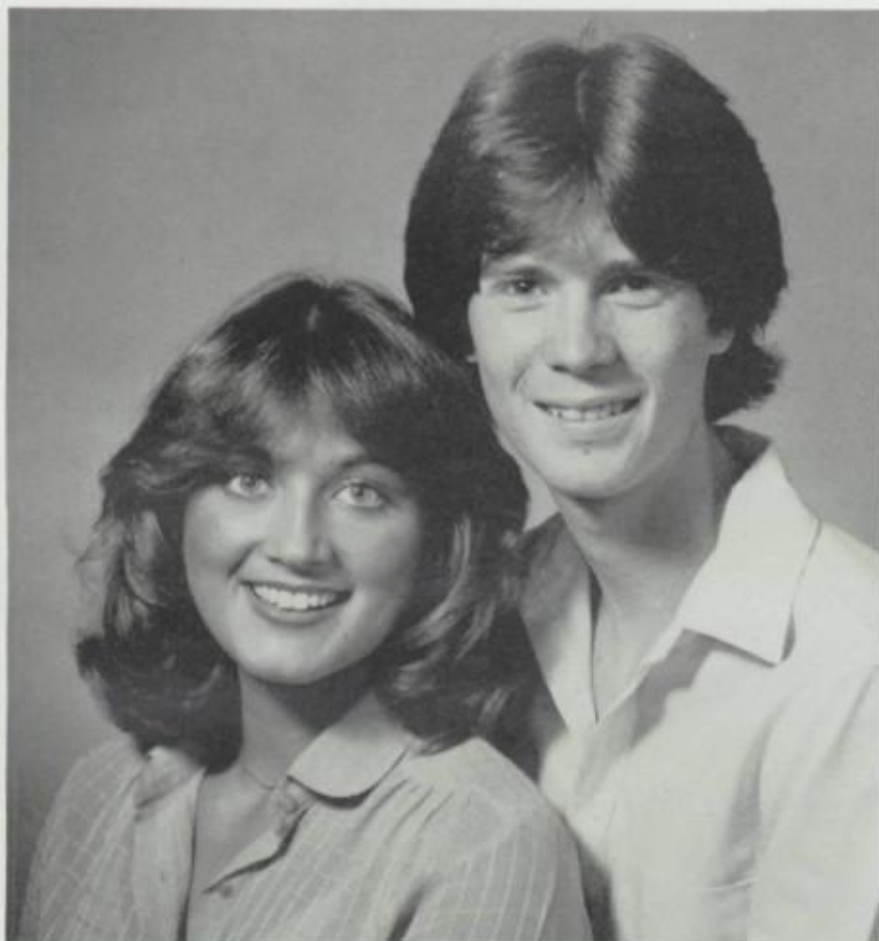

The Queen's court consists of one attendant from each class, which would make four with the addition of freshmen, and each girl's escort.

As always done in times past, the escorts were chosen from within the band. The young men who participated in the ceremony on that rather cold October night considered themselves quite lucky to be able to take part in such an important Central tradition.

Tom McCaslin pauses during a pep rally.

Tom McCaslin

Tom McCaslin was a strong leader in the Central community. He was co-captain of the football team and captain of the wrestling team. He was also secretary of the FCA and president of the class of '81.

Tom has a reputation of treating each and every person he meets with a generous amount of respect. Generosity — another quality that Tom believes is important. He takes pride in his school and stands for the principles that Central stands for. He has an ever-active sense of humor and is always great company. He was an outstanding asset to the senior class and the seniors were proud to make him the "Brave of the Year."

The Year

Becky Counce

Becky Counce is very much honored and esteemed by her fellow students. This year, she was elected Miss Central LX. She was also awarded the position of "Brave of the Month" for September.

Becky has always been known for being active in about as many activities as she can get herself into. And with her constant good fellowship and friendly and caring attitude, she has always been a very welcome positive addition to any group or organization.

Becky truly incorporates all the qualities that a "Brave of the Year" should possess, and Centralites were happy to give her the title that she so greatly deserved.

Becky Counce in her role as "Frankie" in the Senior/Junior play.

"How was the opera, Mrs. Carmichael?"

Care for a little bubbly?

You Can't Take It With You

You Can't Take It With You, directed by Mrs. Cathy Chee, was presented on February 18 and 19 by the Freshman and Sophomore classes. It was the story of a typical day in the life of the Vanderhof family. The play was written by Moss Hart and George S. Kaufman and was set during the 1940's.

It is very light comedy and some common occurrences in the show include fire works, xylophone concerto, wrestling matches, and tax evasion.

This was Mrs. Chee's first year at Central and her first Central production. The cast and crew was very large and this was known to be one of the most organized shows ever produced here.

The show was very entertaining and congratulations are due to all involved with the presentation.

The cast: Row 1: Richie Hunt, Cynthia Chee, Jamee Thomas, Phyllis Dawes, Kathy Mazingo, Laurie Timmons. Row 2: Barry Francis, Mr. DePinna-David Bailey, Gary Waite, Tonya Daniel, David Allen, Mark Blair, Richard Carter, Kenny Janke, Mr. Kirby-Kevin Butler, Tony Kirby-Brian Chee, Doris Wellington, David Hamrick.

"I don't pay taxes, because I don't believe in it."

Pep Assemblies . . . Undying Tradition

The roar of the crowd . . . class yells . . . egg tossing . . . who could forget the pep assemblies? Ever since the earliest days of Central, students gathered in the gymnasium to cheer, yell, and show off their school spirit. Student against student, team against team, class against class. The competition has always been furious. It is still the same now. Such a fun tradition could never get lost!

What would a pep rally be without cheerleaders?

Mike Reckmeyer and Tom McCaslin make a team effort.

Kathy Crow helps fire up the Braves.

Greg Ladd - Boys' State Representative

Mary Arnett - Girls' State Representative

Boy And Girl State

Central's representatives for Boy and Girl State were Greg Ladd and Mary Arnett. Both were chosen because they exhibited very high leadership qualities.

The Boy and Girl State programs are designed to build upon those attributes of good citizenship and leadership. The participants come back enriched with knowledge about their government and with many new acquaintances across the state.

Greg went to NSU at Tahlequah and Mary went to East Central University at Ada. They stayed for several days attending meetings and seminars. The two enjoyed this opportunity shared only by exceptional students.

Greg and Mary are glad to be home after a few days of hard work

Letter From The Editors

We would like to thank all the members of our staff and our sponsor, Mr. Dwight Smith, for their hard work and perseverance when things got tough. You also provided us with much moral support and encouragement when it was just on our shoulders.

Special thanks go to Mr. Brice Hasty and his students for all their added help, and to Gary Jonas for the beautiful work on our cover.

We emphasize much appreciation to Greg, our photographer from Petersen Photography, for the great deal of time and effort put in for us beyond the call of duty.

Thanks to the faculty and staff for the trust and patience they showed us through many interruptions in their schedules.

We express much love and appreciation to Mrs. Doris Rudd for her many hours of typing put in throughout the year, especially on the first deadline.

And thank you, the student body, who put so much confidence in us, even before they saw the finished work.

We are very proud and satisfied with the '81 Tom Tom. Working on the staff and with the various people linked to it proved to teach us much more than simply how to put a yearbook together. Much understanding came from those close to us throughout the year. Our short tempers and constant pre-occupation didn't hold back their support to us. We never had to stand alone even when sole responsibility was directed at us. This finale to our high school years has captured so much feeling with us, that we tried to carry that feeling throughout the yearbook. Even though the realism of these years may fade with time, the feelings we have felt within them will remain with us. We wish the same to all of you.

Most Sincerely,
Charles Justis
Rita Rudd
